EIGHTEENTH STREET IMPROVEdefendant: In the name of the State of Oregon

give up so sastiy. You should be more manly." "I can't." repiled Willie, in disconsola-tion, "Everybody says I don't take after mother."-Washington Star. The Buffalo Courier describes the burn-ing of the steamer Chola, of the Lewis-ton and Toronto line, as a "lurid sensa-tion." As "lurid" means wan, gloomy, dismal, it is a little hard to see how the adjective applies to a blazing boat. The Chic to Times-Herald offers a prize of 5,6... and a gold medal for the

to get something a little cheaper than his competitor; and thus it goes. We regret to say that the demand for low grade salmon under a Columbia River la-bel, is so greatshere that it is quite dimcult to sell anything which possesses gonuine merit

would indeed like to see this remedied; and it should be in some way or other, or the industry will be crippled. We can see the demand for salmon grad-ually growing less all the while; and can only attribute it to the TRASH which has only attribute it to the TRASH which has been passed around under the guise of an article fit to eat." The case of the timber lands of Clatsop county, and in regard to whose life, as a class,

ter, one of dozens of a similar tenor that we receive every week, is a repetition of the numberless appeals made through these columns to the Columbia River cannerymen to save their name and their industry from annihilation. It goes to show how closely our fight is watched by want, beggury and the various vices that interested buyers of salmon all over this wait upon the crowding to gether of hu continent, and how necessary it was for man beings in poverty. us to begin this bogus label crusade in the interests of Astoria and the state at large. That the cannerymen should hesitate any longer to act on this matter is past our comprehension or belief. It would be hard to conjure up a shorter side of their reireat, except perhaps to be means of killing off the source of their giad that they are not miserable strivers incomes and the incomes of thousands of people dependent on salmon fishing for their support, than this policy of deliberate and shameful inactivity. The leaders of the grocery trade in every large centre in the United States are watching their course very closely, and watching it, we believe, with a full knowledge of their dilatory and inexpitcable conduct, And they can't pull together. It appears from the last number of Bradstreet's that the Nicaragua Canal Commission has reached Washington and is should preserve the back woods settler, who seeks by self-reliant labor an independent ers of the grocery trade in every large

is about preparing its report upon the feasibility of the projected canal across the Isthmus. The report being intended for the special information of congress, it is unlikely that its conclusions will be formally made public before the meeting of comfort and pleasure. An amount of of congress in December. It is difficult, setfishness necessary to self support is nowwer, to prevent information of the not only allowable but commendable in however, to prevent information of the kind contained in the report from being made public in advance of official time, river, who have made homes in the woods and while the members of the commission decline to discuss the nature of their redecline to discuss the nature of their re-port, it appears to be generally under-stood that it will be favorable to the other men or the unstable water for the stood that it will be favorable to the completion of the Nicaragua Canal. It is probable that a slight change in the route will be recommended in order to avoid some serious obstacles to the succeas of the engineering work. It is sold that the members of the commission estimate that the canal can be finished in seven years about, at a total cost of \$110,-000,000. One of the features of the report, according to rumor, will be a criticism in some respects of the past management of the canal.

Secretary Carlinle is an udmirable juggier of figures. The treasury statement for June 29, the last one issued in June, reports that the treasury's available cash balance, including the gold reserve, aggromated \$193,838,692.05 then. The last treasury statement leausd, that for the 26th of July, reports the available cash balance, including the gold reserve, to be \$181,674,607,11, a loss of but \$2,701,594.94 since June 19th. In that time the tressury receptis' have aggregated but \$15,274,969.11. while the expenditures have been \$17,306,creded the receipts to the amount of ara on, one. Therefore, according to Secrotary Carlisle's figuring, while there has
