They included Dr. Nan-see what possible right she has to com-men's three years' drift across the Polar plain of any shipments that may be made sea, Stein's journey to Elesmere's Land, from this country to anybody on the island. It is still more difficult to see Walter Wellman's so-called "dash to the by what right our government assu pole," Peary's Greenland project, and the Jackson-Harmsworth expedition. Not one in apound to a country Jackson-Harmsworth expedition. Not one of these expeditions has accomplished in which no recognized war exists. Per haps the lawyers in the state depart anything of note in adding to the world's ment will explain this point to a people who strongly sympathize with the Cuban knowledge of that ice-locked region. One expedition, the Stein, was abandoned for patriots."

expedition, the Stein, was abandoned for The World's position seems sound and want of money. Theree of them proved its observations are tantamount to cenwant of money. Theree of them proved its observations are tantamount to tent threamount to tent the standard as a remedy for every womanly aliment, as a remedy for every womanly aliment, as are medy for every womanly aliment, as are medy for every womanly aliment, as are are as are as a remedy for every womanly aliment, as are are as are as are as a remedy for every womanly aliment, as are are as are as are as a remedy for every womanly aliment, as are as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment, as are as a remedy for every womanly aliment. Dr. Nansen's, no report has come. It is not unlikely that another expedition will have to be fitted out for discovering a state of war exists in Cuba; she has of arctic expeditions. Expeditions go, the other hand she has always belittled and then other expeditions have to be the operations of the insurgents, treating made to bring what is left of them back them as rioters who would be speedily put down. Officially, therefore, this govagain. And yet it is unlikely that this ernment has no knowledge that there is foolish business ever will be abandoned. war in Cuba. Hence Spain has no right to expect it to patrol American waters The passion for arctic exploration neverand interfere with American commerce Americans, so long as they are not noti fied there is a war, have the same right to take arms and ammunition to any part of the island and dispose of them that they have to take them to Havana. Spain must notify us before our vessels A series of athletic nights will be given can be captured and before our own gov-

ernment presumes to interfere with our own commerce Spain rushed in precipitously and with indecent baste when our civil war broke cut and within forty days after Bull Run recognized the belligerent rights of the Confederates. We have waited several Confederates. We have waited several aonths and are still waiting, for some nacrutable reason, before recognizing the naurgents, though they have a provision-il government, a seaport, an army, a long insurgents, though they have a provisional government, a seaport, an army, a long that Dallas is on a narrow gauge rail-record of battles and captured towns, and "read"

are now pressing on even to the vicinity of Havana itself. Our secretary of state, therefore, instead of overhauling Ameri-can vessels upon suspicion of doing what Coxey began by asserting that he would they had a right to do, better wait until he receives some notification from Spain that there is war in Cuba, and therefore that arms and ammunition are contraband.

A TRUNK LINE AGREEMENT

The railroads of the country are the real developers . When they prosper the country prospers. It is expected of them that they will charge the minimum rate for freight, but it is not expected or desired that they shall cut rates in ruin cus competition and turn up with deficits instead of fair dividends. It is to bring about equitable results that the trunk line presidents have got together and have left to a committee the formulation of an agreement that, if adopted, would seem to mean something substantial for both

the roads and for their patrons. The agreement is to supersede the present Trung Line Association, but as it must be submitted and passed by the

WHAT YOUR GRANDMA MAY SAY. O, grandma, is it really true That men did once delight To look on girls as goddeness Who dwelt upon a height? O, did they really shave for them And think it was but right?

O, had they then no grievances They organized to air? Did they ne-er vow her tyranny Was more than they could bear. When woman wore a petticoat, And never cut her hair

O, were men happy subjects once, Of an unconscious queen, Ere yet the sea of Progress came "Dwixt them to intervene-That heavy sea in which, today, We watch her throne careen?

Was she a thing of beauty, once, Ere yet she did affright A wond'ring world by blazing out In bloomerattes bedight; Ere freedom in her books was made

left out, as are the interior consuls who are permitted to engage in trade. Hereafter vacancies will be filled either by holy indignation are all regarding the only recently passed his minority. Here transfer or promotion, by the appoint-Republican bosses. And the same is true they keep ten to twelve men constantly transfer or promotion, by the appoint-ment of some person who has previously served satisfactorily, or by some person selected by the president who is able to pass a proper examination. This order initiates a reform, the necessily of which has been recognized for a long time. Sec-retary Seward aaw the importance of a trained consular service, and at his sug-sestion a law was passed thirty years ago providing for the appointment of young men as consular clerks, the intention be-

of his present term, when Josiah Quincy, then assistant secretary of state, divided the consular spoils among those entitled to them in a way which provoked dis-gusted comment. An attempt was made in the last congress to pass a law taking in the last congress to pass a law taking be shaken from his rock-ribbed firmness. BEWARE OF COUNTERFEITENCE. BEWARE OF COUNTERFEITENCE. ganted comment. An attempt was made in the tast congress to pass a law taking the consular service out of politics and substituting the merit system, but it failed. The senators, who have looked on these consularships as part of their perquisites, will be disgusted by the order, but the next product and the senators, who have explored the but the next product and the senators in the senators is the average Democratic managers in counties fancy that they do know some-ting destenants, who have explored the in the saloons, or from work-ing destenants, who have explored the is offered in bulk, the

directors of all the lines. involved. cannot go into effect linmediately. The object is to maintain a commission which shall have jurisdiction over the making of rates, thus removing such power from the hands of subordinate railroad officials and making it impossible for secret rate cutting. Joint agencies are to be established and the control of competing business centralized. The demoralization which comes from a disregard of rates is to be avoided. Healthy competition is always to be en

couraged, but wasteful competition that means bankruptcy, if indulged in for any length of time, is quite another thing. Pitcher's Castoria. The railroads have a right to live and earn fair dividends. When they pass their dividends they demoralize their stock-holders. When they demand more than fair rates they demoralize business, T. ere is a great difference between an honest agreement to serve the people and a trust which demands extortion. There is

a great opportunity for the roads under their new agreement to serve the prople and themselves at the same time.

On the large estate of Mrs. E. Brown Rogers. carrots and cabbages, all of which will be utkized for market or the farm. Nothsing goes to waste, but is turned into money by either selling or feeding. In the orchard plums and prunes are nume.ous and having no dryer they are dried on shares by a neighbor. This is diveron shares by a neighbor. This is diver-sided farming in the strict sense of the word, and is a good example set by a young man for older heads to follow. Sam H. "A TALENTED EDITOR."

Gentlemen:--I had occasion to use several boxes of Krause's Headache

Or., Sole Agent.

Mr. J. J. Keil, Sharpsburg, Pa. Dear Sir:-I am glad to say a good word for Krause's Headache Capsules.

word for Krause's Headache Capsules. After suffering for over three years with acids neuralgia and its consequent innomnia (which seemed to haffie the efforts of some of our best physicians) you suggested this remedy which gave me almost instant relief. Words fall to express the praise I should like to bestow on Krause's Headache Capsules. Gratefully Yours, MRS, E. R. HOLMES, Montrost, Pa.
