The tomcod fishermen still have good buck and the docks are lined almost every days with a large crowd of ladies and gentlemen, who take great pleasure in seeing who can land the greatest num-ber of fish. That anybody could accumulate wealth if they would SPECIAL SALE What Life Is---Hypnotism--look out for the dimes and nickels. Now, then, why not make a start on the road to wealth today? Mind Reading. Save your dimes! ed 17 pounds. SPIRITUAL AND PHYSICAL MAN The report which was circulated on the We will help you!! We will help you!! How? Well, we propose to show Well, and propose to show Prof. N. N. Riddell, Ph. D., Discourses to a Large Audience in you the way. We are going to move soon; you know what it is to move. It tries a person's "Mrs. M. J. Kinney left last night for Baltimore, Md., where she will attend the National Convention of the W. C. T. U. She expects to be absent about two months, and will visit relatives in Penn-sylvania before returning." the M. E. Church. Have you seen the large patience, the upsetting and straightening, and we propose to avoid this if prices will do it. There's a home-like feeling Prof. N. N. Riddell, Ph. D., was greet The handsome oil painting, "His Last Drift," was raified off at the store of Griffin & Reed last evening. Thirteen proved to be the winning number, held by W. J. Snyder, of Fort Stevens. The judges were John Grover, Fred W. Newell and A. S. Reed. as well as interesting and instructive. The speaker in opening described the two different schools of philosophy that have sought to direct men's thoughts, the materialist and the spiritists. Both were right as far as they go but unfor-tunately man has a physical body as well as a soul, and both need like considera-tion. Our prices on clothing wil -urprise you! Our prices on hats will astonish you! The school bags of the old-fashioned purse pattern are simply made. Take any good cloth w yard wide and a yard and a half long, and sew from each end to within six or eight inches of the center, thus making a double strip half a yard in width. Gather each end tightly with a tassie, if desired. Turn on the right side and the bag is finished. tion. Our prices on underwear socks, overshirts, suspend ers, collars, ties, etc., will save you many dimes. Our stock is complete. surface is polarized, has its magnetic cur-rent that surrounds it. This current is While making repairs to a building on Commercial street yesterday morning Our stock is NEW, and while making repairs to a building on Commerchal street yesterday morning two men, William Jopin and Henry Cy-it is a substance as real as the atom itself, it is a , form of electricity. The atom and the current are convertible into each other. The atom is but crystalized elec-tricity—is but another condition of the atomic substance. As the earth's sur-face comes in contact with the freed elec-tricity each atom is born or awakened, and the current is convertible into each thurt. that is sorrething. NEW goods sold cheap are BARGAINS. Other stocks that are not NEW are Tt is said that Captain of Police Halleck wEl purchase a stock of fish lines today and distribute them among the unpaid haborers, so that they may combine pleas-ure with profit by catching tomcods from the docks in front of the city. This the the docks in front of the city. dear at any price. Examine our stock! Examine our prices!! ure with profit by catching tomods from the docks in front of the city. This the crptain believs will keep the men from blocking the street in front of the city. This she tocking the street in front of the city what constituted hypnotism, mind read-ing, thought transmission and mesmer-You will save dimes. You will be rich and happy
