#### A GREAT MAN DEAD.

Pasteur's death would have been more of a catastrophe had he been the sole custodian and master of his wonderful in full possession of all the knowledge and skill of which he was possessed. His death is a calemity only in the true sense that it puts a stop to the working of the amazing intellect and indefatigable persistence which produced his discoveries. Even that calamity is ameliorated by the fact that he had opened and illuminated the way for the continued investigations of his successes.

The conspicuous trait of this master elixir of life, and Koch, who was so pos-

Elization persist on earth. As yet the United States, the other great republic of the world, has not risen to this height.

### COMPENSATION.

The spreading hills with gentle slope Lie broadly to the rising sun, Whose cheering beams of earthly hope Caress them softly, one by one, While in the hollows, gray and low, Thick mists and shadows heavy l For all the morning's ruddy glow Has coldly passed the valleys by.

So hill-tops, laugh, while valleys weep Away the hours of early days. With sunshine resting on the steep, And darkness shrouding lowly ways. Till evening hastes and shadows sleep On every eastward-lying hill. Then down the slopes the sunbeams creep And rantured vales with gladness thrill

The early sun's inspiring beams, To valleys morning shadows kissed, But wakened not from laggard dreams To these at eve shall come a glow Of sunshine o'er the happy A sweeter joy than mornings know-The touch of gladness after pain.

Auditor and Police Judge. Astoria, Oregon, Oct. 2nd, 1895. DIGHTEENTH STREET IMPROVE

MENT NOTICE. Notice is hereby given that the Common Council of the City of Astoria, Or-egon, have determined to improve 18th street, from the south line of Exchange street to the north line of Grand avenue, all in the City of Astoria, as laid out and recorded by J. M. Shively.

That such improvement shall consist in removing all planking, timbers, and piles, on said street where it is necessary so to do before making the new

provement and by driving piles, and laying caps and stringers thereon so as to improve the street to the width of 30 feet on the west side thereof, inclusive of side-walks, through the northermos 300 feet thereof, setting posts on mud-shis, and laying caps and stringers thereshis, and laying cape and stringers there-on, so as to improve the streat to the full width inclusive of sidewalks, through the 120 feet next south of said 300 feet and grading and filling the remaining 240 feet to the established grade 'hereof. through the full width thereof, and constructing sidewalks on both sides 10 feet in width with a space of two feet next to curb for planting trees, placing gutters along the curbs of the sidewalks upon said 240 feet, and planking said 240 feet with tree-inch plank and by planking the balance of said street with new and

sound fir plank four inches in thickness, placing ralls where necessary.

Al of said improvements to be upon the established grade of said street and to conform with plans and specifications therefor.

That the district of lands and premises upon which the special assessment shall be levied to defray the cost and expense of such improvement is as follows, to-

Commencing at the northwest corner of Lot 3, in Block 112, and running thence Gentlemen:—I had occasion to use several boxes of Krause's Headache Capsules while traveling to Chicago te attend the National Democratic Consention. They acted like a charm in prevention. They acted like a charm in preventing headaches and dizziness. Have had very little headache since my return, which is remarkable.

Yours respectfully the content of Lot 4, Block III, thence westerly on a straight line to the place of beginning containing all of Lots 1, 2, 3, 10, 11 ning, containing all of Lots 1, 2, 3, 10, 11, 12, of Blocks 112 and 14, all of Lots 4, 5, 6, 7, 8, and 9, of Blocks 13, and 111, all

such assessment.

Estimates of the expense of such improvements and plans and diagrams of Columbia River and Puget Sound Navsuch work or improvement and of the locality to be improved, have been deposited by the city surveyor with the auditor and police judge for examination and may be inspected at the office of such officer.

At the next regular meeting of the At the next regular meeting of the common council after the final publication of this notice, towit: On Wednesday, October 16, 1895, at the hour of 7:30 p. m., at the City Hall, the said council will consider any objections to such improvement being made, and if a remonstrance ment being made, and if a remonstrance against such improvement signed by peragainst such improvement, signed by per-sens owning more than one-half of the property in such district herein described, and in which the special assessment is to be levied, shat be filed with the Auditor and Police Judge before the said time of meeting of the common council assessment. no such improvement or work shall be

ordered except by the concurrence of all the councilmen e.ect.

By order of the Common Council.

Attest:
