formance of them make necessary, are in themselves upliffing. There is at present, and mas been for three years, an agency in operation among the working people of New York that has shown the truth of Ms contention. It is the People's Singing Classes, which were started three years ago, and which begin their fourth season of work next Sunday. Their

ten cents puid by each member for each rehearsal attended during the winter. "The fdea of such a chicrus has been accepted by the people to whom it was offered with an interest and enthusiasm that were probably unexpected by its pro-jectors. As the original clusses have advanced from their standing as elementury students, their places have been taken by ever-increasing numbers, until this year the enrollment of new members bids fair to offer a veritable embarrase-rient. That these classes are sustained quent expense of reaching the rooms are not a matter of entire indifference. Still less so is the sacrifiec of the afternoon of the only free day of the week, and the surrender of a part of the Sunday pleasures it involves. Furthermore, there is much significance in the fact that the work of the classes is not dropped with the cessation of the regular rehearsals in the spring, but that many smaller Institution in existence than the People's as to crush the heal of his left foot, driving the bones, some of which were broken, its aim with more singleness of purpose.

"The result of ast this cannot fail to a most painful one and wife cause Mr.

the thousands of people who have joined in the work of the People's Singing Classes there has been opened up a new world of beauty, hitherto unknown, or, at best unexplored. Into the lives of those thousands of toilers has come an element of culture, of intellectual stimulus and inspiration, that never came before. And it may not be vain to see, in the extension of the influence and the growth of this musical lineares and the growth of this musical interest among the propriate in the future to see the marses of the people, possibilities that may be of importance in the future to see the large musical life of the metropoits. At any rate, the movement embodied in the People's Singing Charses is not the afternoon.

The work of the People's Singing Charses were many out at the life rack and Monthly afternoon the Ell-more, inward bound, in passing noticed them on her carrival in port. Yesterday morning Captain Richardson, of the Commbine, went down to the lighthouse and brought Mr. Hanson to the city, and he went to the bispital in the afternoon.

Hat there been a telegricouse and brought Mr. Hanson to the city, and he went to the bispital in the afternoon.

Hat there been a telegricouse of the Commbine, went down to the lighthouse and brought Mr. Hanson to the city, and he went to the bispital in the afternoon.

Hat there been a telegricous of the Commbine, went down to the lighthouse and brought Mr. Hanson to the city, and he went to the bispital in the afternoon.

Hat there been a telegricous of the Commbine, went down to the lighthouse and brought Mr. Hanson to the city, and he went to the bispital in the afternoon.

Hat there been a telegricous of the city much and a telegricous of the city much and the commbine of the city much and the commbine of the city much and the committee will be attempted to criminally assault Mrs. Hof-more, in the signals and reported them on her city and the committee of the city and the committ least among the influences that tend to the elevation of the masses in this city." In discussing this question a prominent local musician stated that he was in hearty accord with the movement and was of the opinion that similar classes on a smalled acces for the education of the people-the busines man and woman, corks and shop people, mechanics and workmen-would be of great adventage to any community, large or small. The cost of instruction in the rudiments of the principles of music, music runding and tone culture, can be placed within the reach of all in class instruction, and this kind of instruction is the most efficient. as well as affording pleasant social in-tercourse and amusement.

The fighting is said to have lasted seven hours, after which the enemy dispersed, but afterwards reformed at Sierra Colorndo, where the insurgents were event-

Wrappers Instead of

One of Astoria's growing industries, of which little is known, is the manufacture of cigars. Schlese's factory on Ninth street now employs a dozen men and boys and is turning out a thousand cigare a day. Half a dozen different grades are produced but all are hand made and dean, and Astorians may be sure that they are using only pure tobacco when they smoke any of them.

To un Astorian representative Mr. Schiebe stated in reply to numerous Schiebe stated in reply to numerous questions, that he imported his leaf for filer for the best grade of goods is clear flier for the best grade of goods is clear flier for the best grade of goods is clear flier for the best grade of goods is clear flier for the best grade of goods is clear flier for the best grade of goods is clear flier for the best grade of goods is clear flier for the properties of the grade of \$1.50 per pound. The highest priced feaf is light in color, and spotted, the dark leaf being the chetapest. Old timers prefer the sweet Connecticut wrapper, which costs from 50 cents to \$1.00 per pound. This makes a very fragrant smoke which aft lovers of domestic goods know and appreciate. These Connecticut wrappers which Mr. Schiebe uses are of the flamous crop of 1892.

There is something peculiar about Havana tobacco—fi can only be grown in Cuba. Hundreds of experiments have been tried to grow it in the United States from seed, but it never has the texture or flavor of the Cuban grown plant.

To see the men and boys defily strip the steeps from the leaves red the eigen To see the men and boys deftly struct To see the men and boys defly strop the stems from the leaves, roll the cigar and put on the wrapper, is an interesting sight. The packing, lubelling and stamp-ing of the goods is all done by Mr. Schiebe himself. When the town com-mences to grow Mr. Schiebe intends to enlarge his factory to ment the increasing decreased of hundress.

mand of business. RIGHT TO HOLD OFFICE,

The proposition to insert in the new constitution of South Carolina a restric-tion or office-holding to white men recalls the now generally forgotten fact that the fifteenth amendment to the fed-eral constitution, as originally reported to the senate, included the right to "hold office," as well us "to vote," us one which "shull not be denied or abridged by the APPOINTED COUNSEL.

Seattle, Det. 15.—8, R. Pies, of this city, has been apointed general counsel for the receiver of the Oregon Important by the elevation of A. F. Burleigh to the receiver of the Oregon Important by the elevation of A. F. Burleigh to the receiver of the Oregon Important by the elevation of A. F. Burleigh to the receiver of the Oregon Important by the elevation of A. F. Burleigh to the receiver of the Oregon Important by the elevation of A. F. Burleigh to the receiver of the Oregon Important by the elevation of A. F. Burleigh to the resistant by the elevation of A. F. Burleigh to the resistant by the elevation of A. F. Burleigh to the resistant by the elevation of A. F. Burleigh to the resistant by the elevation of A. F. Burleigh to the resistant by the elevation of A. F. Burleigh to the resistant of the right to vote did not necessarily cover the right to beaut on hold office, and that each state ought to have power to set up such restrictions upon the latter as it thought wise. As this office-holding clause was originally reported, and after full discussion strickes out, an argument may be made for the claim that a state may make a particular color or national. may make a particular color or mailonatify a bar to office—holding without violuting the federal constitution; but even the Bourbons of Bouth Carolina ree so clearly the injustice and impolicy of such a course that they voted down the proposition to exclude the black man from eligibility to office—New York Post.

"Cuba," suga General Campos, "has cost Spain millions." Yes, but not near so many millions as it has cost Cuba to support the army of Spainsh officials who rate the shand and domineer over the natives. There is a big balance in the ledger in Cuba's favor.—Burfale Enquirer.

ment furnished either to the public or off of the fibrary dreinned of the rich by such persons or associations as may be admitted thereto."

Mr. Williams was introduced to the

Success in monologue comes to but formen, for not only must the entertain made loving study of Rs spirit and Ressi-ing, as well as a wonderful mastery of its text. Beyond the just intonations and modulations of speech he appears un-added to the intellect, the case and quiet degance of his manner, being turnsarred by effort at personation, and strife for coleutionary effect being defly concealed in the simulation of naturalness which therefore culture nives.

horough culture given. An entertainment so exquisite in the enjoyment that it affords, so elevating and ennobing in the influence that it aidds, is rurely within the possibilities wields, is ruredy within the possibilities of any community, and Mr. Williams has secured himself in the most admiring cellmation of Astoria's most cuttivated public. Hannibal A. Williams is a unique and notation figure; as an interpreter of Shakespeare he has no rival, his powers being more remarkably evidenced than those of the actor, in that he curries out the whole play in his own person, representing each character in turn with a graphic fidelity that is little short of

In King Henry IV his work showed a oritical discrimination as to the charac-ters in the drama. The King, the two Henrys were well done, but the presenta-Henrys were well done, but the presenta-tion of Shakespeare's masterpiece of gen-tus in wit, humor and controversial skill, in the person of Sir John Falkinff, was not to be surpassed. One could see the old Hackett in the character, but he might have taken lessons from Williams. Never before could one so thoroughly ap-preciate this scintillating wit, sparking humor and ever present phinosophy of the old knight as in the rendition of the character last night by Mr. Williams, the old knight as in the remilition of the chartieter last night by Mr. Wikkens. The beauty and grandeur of Shakespeare stood forth as a clear-cut cames. The sayings and doings of his creations were before the bearer as if present in the veritable flesh and blood and one forgot the reader in woodering what the kine or his son would say next. The got the reader in woodering what the King or his son would say next. The recital was an education of the most officer character to one student and lover of English and to miss hearing Hannibal Williams' interpretation of his miss half of one's life.

The following copy of a letter received from Whoman Colleg yesterday speaks for itself.

Walla Wella, Wash., Oct. 12, 1806. Walla Walla, Wash, Oct. 12, 1896. So rare a treat has seldom been enjoyed by the students and freiends of Whitman College as the presentation of the play of "Henry IV," by Mr. Haundrak Willems. In the comprehensive grasp of striking features in the plot, in the definention and enalysis of the characters, in the vivid exhibition of diverse modives and traits of the personners especially in and traits of the personages, especially is sustaining the character of the immorta Fallstaff, the work was a masterpiece, and will do much to foster an appreciation of the great dramatist among our students.
It is therefore with the greatest pleasure that I bear testimony to the pleasure and profit to us of Mr. Wiffams' visit.

W. D. LYMAN.
