Can You Tell Why?

Says a man to me yesterday, when showing me a suit that he said he "was faked in buying elsewhere and paying more than they can be bought for at regular prices," especially when he had bought suits of me that gave entire satisfaction, and he liked my "style of doing business, strictly one price and throwing in nothing," while selling Men's or Boy's Clothing, Furnishing Goods, Hats, Caps, Boots, Shoes, Trunks, Valises, Umbrellas, Mackintoshes, Etc.

They Lack Life

There are twines sold to fishermen on the Columbia river that stand in the same relationship to Marshall's Twines as a wooden image does to the human being—they lack strength—everness—and lasting qualities. Don't fool yourself into the belief that other twines besides Marshall's will do "just as well." They won't. They cannot.

NEBRASKA IN THE THROES.

Omaha, Nov. 4.—All voters throughout Nebraska have their eyes on Omaha to see if the city is restless. The campaign has centered around Omaha almost exclusively. All concede that the Republicans will win, but there is a question whether they will be elected by a safe majority, although there are many signs of doubtful effect.

P. H. Larman, manager of the Tribune (Democratic), says: "The church question, being novel, may upset all calculations. The indications point to a very close election, but no win or loss, more than a thousand votes. Roberta, the Democratic nominee for congress, will be elected."

General Young, manager of the Herald (Democratic), says: "The church question, being novel, may upset all calculations. The indications point to a very close election, but no win or loss, more than a thousand votes. Roberta, the Democratic nominee for congress, will be elected."

REPUBLICANS CLAIM VICTORIES

Kentucky and Ohio Heard From—Omaha the Center of the Nebraska Fight.

Salt Lake, Nov. 4.—On the eve of the political battle all parties are lined up to cast a large vote. A snow storm which has raged all day may interfere with voting in the country districts. Impartial observation leads to the conclusion that the Republican ticket will be elected by a safe majority, although there are many signs of doubtful effect.

P. H. Larman, manager of the Tribune (Republican), says: "The Republican state ticket will be elected by from 2,000 to 4,000 majority; the legislature will be overwhlemingly Republican and the constitution will be adopted by a majority of 15,000."

General Young, manager of the Herald (Democratic), says: "The church question, being novel, may upset all calculations. The indications point to a very close election, but no win or loss, more than a thousand votes. Roberta, the Democratic nominee for congress, will be elected."

ASHLAND, OR., NOV. 4.—Gen. J. M. McCall, one of the prominent citizens of Ashland, and who longed over the state, died here Saturday morning after a lingering illness, aged nearly 72 years.

Gen. McCall was an Oregon pioneer, coming to this section in 1852 and engaging in mining, milling, and mercantile business successively, until a few years ago, when he withdrew from active residence.

He served during the rebellion in the Oregon volunteer cavalry and rose to a captain. In 1853 he was appointed brigadier of the Oregon militia.

The pine needle industry is in a state of statu quo. There seems to be a lull among the stockholders at San Francisco. Matters are liable to be adjusted, however, and the work go on, after some little delay.—Gazette.

ANOTHER BANK SUCCUMBS.

Bennett National Also Goes to the Wall.

New Whatcom, Wash., Nov. 4.—The Bellingham Bay National Bank closed its doors today by order of the directors, being unable to meet the county treasurer's demand for the county's deposit.

The cashier reports his deposit as \$10,000, of which \$7,000 is deposited in the vaults.

The losses are now \$187,000. The bank closed in July, 1882, but was re-opened in January, 1884.

A report has reached here of the burning of a house belonging to a young farmer named Spezman, Mr. Tenion, when Evanson and Lyman, the county, have been to see him.

He was born March 25, 1864, in the flames. It is reported that a pistol shot was heard in the house before the fire.

The coroner returned this evening from the scene of the tragedy. An inquest was held and a verdict rendered.

Gen. Spezman had been murdered by her husband, Fred J. Spezman, who then set fire to the dwelling and fled. The couple were married six years ago, but separated and recently reunited. A warrant has been issued for Spezman's arrest.

ANOTHER BANK SUCCUMBS.

Pedder National Also Goes to the Wall.

New Whatcom, Nov. 4.—The Bellingham Bay National Bank, which continued to the close of banking hours. This evening the directors held a meeting and decided not to open in the morning, and also to ask the comptroller of the currency to place the bank in the hands of the examiner temporarily, as it was believed that in thirty days sufficient assets can be realized upon to settle with all creditors.

September 28 the total resources of the bank were \$307,000 and the liabilities to depositors \$117,000. The deposits this morning amounted to \$25,000, and the withdrawals today were \$25,000. There is now due from other banks \$20,000.

MURDERED BY A BEAST.

Eleven-year-old Girl Outraged in Omaha.

Omaha, Nov. 4.—The murderer and rape of little Ida Astefield, an 11-year-old child last night, was positively traced to George Morgan, a teamster. He lives near where the body was found and was the last man seen with her. His clothes were covered with blood, and he was seen to run away when the police came.

He was captured when he hurriedly removed to the penitentiary at noon. Later a committee appointed by those favoring lynching went through the jail to satisfy the mob that the murderer was not there.

Tonight a crowd of several hundred people gathered outside the jail. They were orderly and drawn more by curiosity than by any disposition to do violence.

RISE IN WHALE BONE.

The Catches of Whales Short this Season.

San Francisco, Nov. 4.—Five more of the whaling fleet arrived from the North today. They were the steamers Normall and Orca, the brig Halibut, and the bark Alice Knowles and Lydia.

The catch of the Arctic fleet amounts in many years. The typical bone meal catch will be about 40,000 pounds, which means that whalebone will be high this year. Bone now sells for \$25 per pound, and it is estimated that the price will be advanced to \$5 before the sale begins.

TWO MINERS MISSING.

Port Townsend, Nov. 4.—News was received from Cook's Inlet that two miners, Frank Leman and a man named Dyer, are missing. They left Cook's Inlet April for Copper river, taking three months' provisions. It is thought they have been drowned or killed by Indians.

CHICAGO'S VOICE.

Chicago, Nov. 4.—No special interest centers in the election in Massachusetts, Pennsylvania, Iowa and Kansas, it being conceded that the Republicans will carry out those states.

In Ohio the Republicans have had a glorious victory, the largest and strongest organization than ever. They had an early state convention, but claim that the agreements and popularity of ex-Gov. Campbell will get out a full Democratic vote and show a close contest.

While both parties have paid special attention to legislation, which gives a success to Senator Bristow, it is conceded that the Republicans have the advantage in the appointment, which stands till after the census of 1900.
