NEW YORK AND CHICAGO. Comparison of the Tonnage Figures for There Great Ports.

(New York Tribune.)
-Many wild statements have been made concerning the comparative tonnage of the ports of New York and Chicago. The great flow of take tonnage, especially through the latter port has embollened its partisans seriously to contend that Onloago has the greater ship-ping trade. When the discussion is reduced to cold figures it becomes laught that we have decided to send it direct on able.

Recent figures, carefully compiled for a Cylicago paper, places the business of that port at 10,500,000 tons annually. No complete figures are kept for New York, charge.
but the business of this port is large enough to sink Chicago's figures into in-

The foreign business alone, in the fiscal year ending June 39, 1895, amounted to 13,819,177 tons, carried in 8,67 vessels. There is a record of every pound of this unit-Why, to get your character, or through the New York clearing house The records, however, show only a small percentage of the actual coast trade, as has taken place in this city for years, took charge of affairs, city warrants were and as the Astorian predicted yesterday, the desiberations have resulted in the day the same institutions are paying 75 selection of a body of convention delegant and 85 cents for these warrants, and are not more affairs, city warrants were not more affairs. For through the custom house. Vessila from Philadelphia, New Haven, Boston, Portland, etc., or bound for those ports, do not enter or clear unless they carry bonded goods. There is, therefore, no way of getting at the figures for this immense volume of traffic. Add to this the great tomage of grain and coal that comes by meeting was the presence and active participation of the younger element of the party. Astoria sorely needs in the governunce of its affairs both Republican offilast year is destined to prove a very the part of New York in the year ending Jame 30, 1895, 281, with a tonnage of 312 072 tone, were engaged in the foreign trade, and 2,971, with a tonnage of 639,481 tons.
