THAT "ULTIMATUM."

The famous dispatch of Secretary Olney to Ambassador Bayard anent the Venezuelan matter now turns out to have been an extremely mild document, which has been treated with contemptuous ellence by the British government. Rumor in Washington diplomatic circles is to the effect that Sir Julian Pauncefote was sent for political effect on the pending elections, and meant nothing.

The disputch was sent on August 3—
through this that a coole had just died from cholera in like house. The people in the street were driven away, but I was parallel to remain. I was anxious to gent demand in Venezuela for damages consequent on the Uruan incident may be taken as the answer. Great Britain proposes, if possible, to steal territory proposes, if possible, to steal territory of the coole. I had fardly taken note of the sum of Queen Victoria's favorites is the sending of the same. Heretofore we have 2b-black or proposes, and and once a year her mas just between the prima donna by taking a cup of tea with her.

This is when the queen is at Balmoral castle, usually between September or country place, old Ma Lodge, an estate which the rents from the Duke of Fife, and which is in Mar forest, near Balmoral through this that a coolie had just died from the street were driven away samples in order to product, but we cannot a cup of tea with her.

This is when the queen is at Balmoral castle, usually between September or country place, old Ma Lodge, an estate which the rents from the Duke of Fife, and which is in Mar forest, near Balmoral castle, usually between September or country place, old Ma Lodge, an estate which the rents from the Duke of Fife, and which is in Mar forest, near Balmoral castle, usually between September or country place, old Ma Lodge, an estate which the rents from the Duke of Fife, and which is in Mar forest, near Balmoral castle, usually between September or country place, old Ma Lodge, an estate which the rents from the surroundings when a coolie cast came. from Venezuela to which she has no from Venezuela to which she has no up, drawn and pusched by four men, shadow of right, and tacitiy dares us it brought a large, poin box, lined with the interfere.

spondent of the Louisville Courier-Jour- up. nal, says the Venezuelan matter is not

thought that by the time congress meets affairs, may assume a shape to cause Mr. Cleveland to send in a ringing Mon-roe message, vigorous and even jingoish in its tone. A permaps shrewder conjecture, and one altogether more likely, jecture, and one altogether more likely. is that he will hold off his hands from to date at 48,129, and the number of deaths at 32,848. foreign complications until next spring and then explode a number of jingo bombs that will have the effect of again renominating frim for president. This Interesting Items Cuiled From Oregon's may be in the Venezuelan matter, or the Cuban struggle, or both; but the imthe Cuban struggle, or both; but the im-pression of those best qualified to judge county has been listed at \$88,500. is that Cleveland will do absolutely nothing in either case except on paper, and for political bluff. Fortunately, ti County Independent. is only a year until the American people have an opportunity to record at their polls their opinion of Cleveland and of the party of which he is the head.

THE ALASKAN BOUNDARY.

Great Britain is attempting to grab a slice of Alaska, after the manner of her tive is the same-to obtain the rich mines state of Oregon. located in the territory to which she laye claim.

The only ground England has for this attempt to bunko us is the loose language of an old treaty, which was necessary ambigious because of the lack of definite information concerning the coun-try through which the line runs. Fifty years ago we had a similar dispute with England concerning the Oregon boundary The war cry of a political party In case the plans are carried out, the then was "Fifty-four forty or fight," meaning that the United States would maintain her claim that the boundary Occasi Central & Eastern railroad has should be the parallel of 54 degrees 40 been sold to the Jacksonville railroad, strould be the parallel of 54 degrees 40 minutes, even by force of arms.

But the administration at Washington yleided, and the line was fixed at the 49th parakel. Had we then maintained our consention, the northern boundary the number of about forty persons. The of the United States from the Rocky mountains to the Pacific would be at the southern extremity of Aluska, and trave arleen.

Every intelligent American desires that are selling at a premium. the present Democratic administration sixil be more determined in asserting American rights than its Democ. wie pre-decessor, the administration of James K.

Polk, was half a century ago. But
there is really little ground for hope, in view of the shilly-shallying in the Venesucian matter, and the pitiable weakness of the foreign policy of Mr. Cleveland. We speak of the preaMent personally instead of his administration, for all are assure that Mr. Cleveland is the administration, and that his constitutional advisors, the members of the cabinet, are little more than clerks to the president.

thing over \$16,000,000. That is to say, that the new tariff fails to meet the requirements of a satisfactory revenue producer at the rate of \$1,000,000 a month. It this proportion should be maintained, the deficit by the first of July, 1866, will have reached \$45,000,000, which would make a total deficit for the Cleveland administration of should 186,000,000. When it is quirements of a satisfactory revenue a total defeat for the Cleveland administraction of about 189,00,000. When it is
recalled that something more than \$50,000.

On of the shortage.
