All applicants will be present promptly and continue the present promptly and continue through the rest to which place it will sconger the property of the week.

plomas will be held Saturday, November

H. S. LYMAN, School Superintendent, Clatsop Co. FOR THOSE WHO EAT

For the remarkably small sum of 15 cents one can procure an excellent chick-en dinner every Sunday at the popular "Denver Kitchen," east side of 9th street between Astor and Bond. Mr. Richardn, the proprietor, also assures the pub-that they can obtain at his place a well-cooked, well served breakfast, din-ner or supper any day in the week for the above mentioned price. Give him a call and be convinced that he speaks the

A TWISTER.

A twister in twisting For in twisting a twist Three twists make a twist; But if one of the twists Untwists from the twist, The twist untwisting Untwists the twist. That is, when it's twisted with any other twine than MARSHAIL'S.

The Necessary Information

About a life assurance company is just the information you would require about any other business or institution in which you think of investing: [1] What is its fina cial strength? [2] Does it pay promptly? cond be drawn. All ugreed, the would be drawn. All ugreed, the world be drawn. All ugreed, the world be drawn. past? [4] What are its prospects for future profits? THE EQUITABLE can answer all these questions in a manner most satisfactory to its past, and the profits of the togsing and salmon business at the profits of the togsing and salmon business at the profit of the togsing and salmon business at the profit of the togsing and salmon business at the profit of the togsing and salmon business at the profit of the togsing and salmon business at the profit of the togsing and salmon business at the part of the profit of the [3] What profits has it paid in the policy-holders.

FINANCIAL STRENGTH!

THE EQUITABLE has a surplus of nearly THIRTY-SEVEN AND A HALF MILLIONS

PROMPT PAYMENTS!

THE EQUITABLE paid s.858 death claims in 1804. Of this number 2.031 were paid on same day as proofs of death were received. SEVENTY PER CENT. of all death claims were thus paid on the very day proofs of death were received. PAST PROFITS!

All Twenty-year Toutfoe policies of THE EQUITABLE have cash surrender values greater than the sum of the premiums paid. Endowment policies show a return of all premiums, with interest at the rate of from five to six per cent, per senses.

FUTURE PROFITS!

The surplus of a life assurance company is the fund from which all dividends MUST be paid. THE EQUITABLE has by many millions of dollars the largest surplus of may like absurance company in the world.

offy yesterday. He reports having opened two miles of the North Nehalem road, this secsion. This, he says, is more start. two miles of the North Neinlem road, this season. This, he says, is more work than has been done on the roads in this district in the past three years. It took 180 days labor at a cost of \$250 to do the work. With his own hands and the add of facil scrows, furnished by the country country the miled season than the roads in their complexions sallow, a constant white coating on the tongue, and inflamed eyes that they suspect any thing wrong. American has found it now the tongue are the arriver may be miled as a successful to the country the miled season.

and of fack scrows, furnished by the country count, he rolled away 40 large logs. The road is now in good shape and can be traveled by teams. More work will be done next year, as the farmers realize the necessity of good roads.

One of the managers of the Postal Telegraph Company was in the city yesterday and says that the new line they are building to Astoria is within nine miles of the clty, and will be completed in a very few days. Great pains is being taken with the construction and the line is along county roads all of the way from Portland. After the line is finished one can drive over the right of way from Astoria to Portland. All trees and overbranging boughts which would in any way endanger the wire, have been cut down and if any accident should occur, a man on a horse can get over the entire line.

Coating on the tongue, and inflamed eyes that they suspect anything wrong. American senting genius has found it possible to arrest discases of the liver and kidneys and to possilively cure Bright's disease. The discovery of Warner's Safe Cure has been a Godeend to the world. There are thouseands of men and women who are alive today and are kept in health entirely through its use. This fact is now known and admitted by physicians in every portion of the globe."
