### THE REASON WHY.

that the child forgets the value of prop- does not. call their erring children unworthy of police judge. Then vote accordingly. them. Everybody knows such cases and recognizes the evil. Parental responsiof a universal practice.

Many agencies are at work for the uphigher duties to their children, and chil- is one consolation. Standing together, dren are taught to be industrious, sober, cleanly and honest. This effort is the work of society to ward off its own destruction by the improvement of its worst order, poverty relieved, dangers external and internal can be averted so long as the moral fibre of the well-to-do and wellbehaved body of citizens is preserved. How it educates its children is something more than a question for the home and the pulpit. It is a question which con- the political party of his own. Then they and money, cerns the state. Altogether too large a will be able to get Flavel incorporated, proportion of the worthless and criminal population springs not from a criminal population springs not from a criminal ture. Just think, what a sweet thing, must be partly stopped and, again, an economy in fuel is to be relied upon. ancestry, but from respectable families what a poem in blank verse, that charter se careless, so foolish, so material that would be! they take no pains to guard their children against early growths of tendencies

## CARLYLE'S CENTENARY.

One hundred years ago today Thomas

One hundred years ago today Thomas
Carlyle was brought into a world he did
his full share to astonish, entertain, perplex and confound. Beyond the opening
of a show of portraits and brice-a-brac
at his old home, no notice of the fact is
to be made on the other side of the water,
where but a few weeks since the air was
full of Kaats' centenary.

It is the rule often proved in history
that in proportion as men make personal
stir is literature during their lives they
make less after death. Keats' an almost
nobody while he lived. Tear by year his
place in the admiration and worship of
ingakind. It more assured. Carlyle during his life was as conspicuous and as
forceful a personality as Hamuel Johnson
in his day. With his death his fame was
bound to decline within that domain
where the only test is not personal impressiveness but the enduring quality of
the surition word. Had time required pressiveness but the enduring quality of inch. the written word. Had time required any artificial aid to settle Carlyle more speedily into his due and abiding estate,

of Carlyle cannot fade. It rests upon a body of powerful and permanent work, informed with surpassing grasp of great events, authentic in what purports to be merely the judgment of a fallible burnan of poetry?

being and sincere in its loyalty to the The Poet-Well, if one can get a poem being and sincere in its loyalty to the author's perceptions and convictions accepted that is written on both sides of the paper he may rest assured that it is After Froude, the insincere, the untruth- a good thing. teller, shall have sunk into the neglect due to history written according to the SHE HAS FELT GOOD EVER SINCE. ethics of the counterfeiter, and travels
depicted with lofty disdain of facts,
Carlyle will be read for the splemdor of
his dramatic scenes—as witness his
French Revolution—and for the tenderten mirrors in the room. Such beauty ethics of the counterfelter, and travels ness of his sympathy with lowliness and as yours cannot be multiplied enough."

love-witness the essay on Burns.

An earthquake in Constantinople Just now. If it were severe chough, would clear the political atmosphere for the time being, calling the truce of God among the inferiated factions and enforcing it at least upon such as were buried in its rutns. There has been enough scattered selemic agitation in the vicinity during "The difference between you and me, friend," remarked the song and dance gentleman to the eminent trapedian, "in that I could play Hamlet of I settled down to it, while you couldn't spin round three times on top of your head to save your life."

WHY? ath the waters of the Bosphorus, as gua, it would extinguish a lot of politijestoneles and rivalries old and rooted

as the hijls, and might be productive or allitary consequences all round. It has been the throne and fortress of misrule almost since sweet Europa's mantle blew unclasped-at any rate, since it first appeared in history. But it will probably continue in its place in spite of all forms She'll carry the musket in our next wars, she'll be running the polls, the clubs and of commic agitation, as it has done for so of coemic agitation, as it has done for so the care, many centuries, though it is likely to She'll be talking politics over the bare, change tenants now and then in the furific, as in the past. Such a change 15 just at present appears rather imminent. but political weather signs over there are habitually misleading, and the threatened storm, black as it looks, may blow away.

It is not often that voters have a chance leathen should be directed to the editor, to honor with their confidence a man so mications of all kinds and thoroughly worthy as is Mr. Henry Nelremittances must be addressed to The son. Years ago, in the halcyon days of salmon canning, as bookkeeper and par- The U. S.
