CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhoea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea-the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for chilgood effect upon their children." DR. G. C. OSGOOD,

Lowell, Mass. "Castoria is the best remedy for children of which I am acquainted. I hope the day is not instead of the various quack nostrums which epium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. P. KINCHELOB,

Castoria. "Casteria is so well adapted to children that dren. Mothers have repeatedly told me of its I recommend it as superior to any prescription known to me."

H. A. ARCHUR, M. D., III So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experifar distant when mothers will consider the real interest of their children, and use Castoria and although we only have among our medical supplies what is known as regular are destroying their loved ones, by forcing products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

lost his temper. "With hardly any inquiry from Europe for our cargoes, or at best only a meager demand, it is not surprising that the week's record of transactions is a duli one, and that exporters are not in the mood to do any extensive buying, and export operations are confined entirely to meet engagements entered into earlier in the season. As warehouse stocks are comparatively large, and chartered ton-nage given prompt toading upon arrival, there can be no doubting the fact that shippers have wants thoroughly provided for, so far as the present and immodiate for, so far as the present and immodiate wants are concerned, and if there are large buyers in the markets it must be for the purpose of securing wrain for distant arrivals. At present the situation is so depressed and inactive, that although there are a number of desir, ble vessels in port, offering to work husiness
