If the people of the interior need banished. to be instructed as to the magnitude and universality of the interests involved. their want of knowledge is no excuse for congressional neglect. It is rather the business and the duty of their representalives at Washington to bring them up to head off a swarm of original Topsys. the point of realizing the necessity which undeniably exists. We have not the remotest doubt that if upon the question of viding adequately for the work of were to vote according to his honest convictions an abundant supply of money caar of Russia, and the like. would be granted by an overwhelming majority. There is no meaner timidity than that which a congressman manifests when, in the name of constituents whom A Love Match Comes to Its Proper Conhe has never tried to enlighten, he betrays his own intelligence and conscience.

NOT AN EFFICIENT MEASURE. A local correspondent signing himself

"Democrat" writes as follows: sound money and the free sliver craze, at the same time shutting its eyes like cranddaughter, was petite and plump. The Dregonian and all other Republican papers to President Cleveland's honest efforts to remedy matters. Last week I They obtained the desired information setter. notice that Cleveland asked congress to provide for retiring the greenbacks and the Shermanu notes, aggregating nearly fifty million dollars, by a bond issue that can be used as the basis of a similar increase in the national bank circulation. But, Mr. Editor, do we hear a word of praise from you or any other Republican. praise from you or any other Republican pame of IRuzie Laura, she says, she or paper for Cleveland's action? Not much." played the ingenue part of Wilber's A

fight the silver craze. But, in the matter quoted by "Democrat," Mr. Cleveland is clearly wrong. If that action is that she said "Yes" when the all-imworthy of notice at all, it should be condemned. There is room for grave doubt
as to whether such a proposition, if carried out, would be sufficient to a maintenance of the parity. True, the governtenance of the parity. True, the governmet in spite of parental opposition, in ment then would be relieved from the long-standing trouble of redeeming the greenbacks as fast as reissued and the "Bherman notes" as often as they were presented after having been put out again. But what would be done with the \$250,000,000 of silver certificates now in extant them in case it were found that this sort of 16 to 1 money, supplemented by the coinage of over \$170,000,000 which the the coinage of over \$170,000,000 which the president hints in that same message her she would be Mrs. William B. Riddle. might be put out gradually, should prove to be in excess of the quantity that could be kept up to par with gold by the action of the government in receiving it for customs and internal revenue, and paying it out again? If the government were not bound by law to redeem those silver certificates in anything better than 16 to 1 silver dollars (now worth not much more immediate marriage. But who would the might be put out gradually, should prove silver dollars (now worth not much more | immediate marriage. But who would tie than 50 cents each), what would become of the parity of silver certificates with gold money? How does he propose to keep at par with sold money certificates redeemable only in silver dollars whose intrinsit value is only 50 cents each? He has suggested no way of dollars to the silver dollars whose intrinsit value is only 50 cents each? He has suggested no way of dollars to the silver dollars whose in the silver dollars

swelled from its present volume by over again. double that amount. But Cleveland has not proposed anything to guarantee this. Suppose the bends deposited by the banks to secure circulation were always worth likely face in gold, there is nothing now to prevent those banks from claiming the right to redeem their notes only in silver, that being legal tender. So this could not be counted on as a sustaining power if the severnment did not continue to hold. The filter severnment did not continue to hold. The filter severificates and the silver dollars up to gold par by some allyer dollars up to gold par by some method. On the contrary, it might be The U. S. Gov't Reports expected that the hanks would follow their addition perper of furties all the money received by them and paying out

the poorest of it, which would satisfy the condition legally imposed-namely, that the "money" be legal tender. One might count certainly upon this course. The moment gold went to premium because it was wanted for export or hearding, no more of it would be paid out by the banks.

The My poer pale wife and I prive up and down the little town And the pleasant roads thereby; Out in the wholesome country We wind, from the main highway, it was wanted for export or most was a wanted for export of both the banks in through the wood's green solltude. Fair as the Lord's own day.

our store and you'll ge portrait of a man brimms over with pleasant thoughts. Such quality in the liquor we have to offer are enough

at any man coming on ...

PLEASE ANY MAN. Come and Try Them HUGHES & CO.

EXTENDED SYMPATH "Do unto others as you would have others do unto you," is sympathetically shown in the following lines, the pre-umption being that sympathy is ""; or akin to pain or sorrow:

"Gentlemen:—Please send krause Headache Capsules as follows: Two boxes to Flora Seay, Havanna, N. Dak I'wo boxes to Lillie Wilcox, Brookland

For sale by Chas, dogers, Astorn J. B. WYATT,

PAINTS and OILS.

There are twines sold to fishermen in the Columbia river that stand in the same relationship to Marshall's I'wine as a wooden image does to the uman being-they lack strength-life evenness-and lasting qualities. Don't ool yourself into the belief that other wines besides Marshall's will do "just s well" They won't. They cannot.
