The whole world is a part of that same monument, and the universe and its inscription is written in star dust and dent Crespo of Venezuela requesting him its inscription is written in star dust and cannot be obliterated. The monuments of men should be the work of the hands of men.

THE RAILROADS IN 1815.

The year just ended has not been one of extreme depression or great excitement among rallway interests, nor has it been one of general prosperity. Efforts to stop rate demoralization and to reorganize old associations have occupied much of the time of traffic officials, and have generally been attended with final success. The Southern States Passenger Association, Southern States Freight As- kindly sociation, Southwestern Traffic Associa-tion, Western Passenger Association, Pipe in the bathroom has burst." Transcontinental Association and others The U. S. Gov't Reports with encouraging prospects, and the last weeks of the year have been signalized by the formation of the Joint Traffic Association which started out on January 1 Girls and billiard balls kiss each other to maintain rate on the trunk lines and their Western connections. their Western connections.

No railway strikes have disturbed the year—the brief outbreak on the Great Northern in Nevember begins sells and promptly explied it cures scales and Northern in November having only exhibited the complete disruption of the Ameri. Rogers. can Railway Union. After two periods of With all his experience the burber had imprisonment this year, the leaders of to employ another man to shingle his that evil organization were recently set at 1005.—Doston Transcript. liberty and have returned to their orig-

inal obscurity.

Two notable foreclosure sales and reorganizations have taken place within a few weeks, those of the Zichison, Topeka & Santa Fe and Eric. The Reading reorganization plan is likely soon to be accomplished. The Luker Pacific plan complished.
