scending to mere pedagogical controversy and to sparring for advantage in mere estentiations exploitation of dry eradition these gatherings ought to be productive of parmanent and substantial benefit. The teachers ought to prevent themselves from drifting in narrow pedagogical channels too far from the common people.

A GOOD WORD.

Mr. J. J. Keli, Sharpsburg, Pa.

Dear Sir—I am glad to say a good word for Krause's Headache Capsules. After suffering for over three years with actite neuralgla and its consequent insomala (which seemed to buffle the efforts of some of our best physicians) you suggested this remedy which gave me almost instant relief. Words fall to express the praise I should like to our renal maladies against which the resources of medical science are too often word.

Although in the first instance as sluggish as a tortoise, the kidneys become as lively as a cricket when a healthful impulse to them with Hostetter's Stomach Bitters, a promoter of activity in these organs which counteracts a tendency to their lethargy and disease. In action of the kidneys, it should be remembered, is the first stage of those danger-bestow on Krause's Headache Capsules.

Gratefully Yours.

MRS. P. R. HOLMES, Montrose, Pa.

Montrose, Pa. session to keep the deliberations from de-

of remedies for their correction, the exchange of ideas that comes from personal experience in the school room, the benefits of contact with the mining of the significant of the course, which helps to make the characteristical army a compact, agressive and effective force in attaining the highest ends that are possible under our free school system.
