 Dr. Brown,s Blackmail Suit Causes a Sensation. Port Angeles, Wn., Jan. 4-At 10:20 ast night two distinct shocks of earth-puake were feit in this city. They were brakes on freight equipment was probab-It is perhaps not desirable to discuss at length the positions taken by different members upon this important matter prior to the publication of the discussion. Whether or not wrecks are liable to occur frequently from this cause it is plain that San Francisco, Jan 4.-Dr. Brown was again on the stand when the afternood session of the police court examination of Mrs. Davidson on the charge of black milling the minister, was commenced.
The attorney for the defense asked the witness a long list of questions relating to his intimacy with Miss Overman, and inquiring ac to his guilt. On the instruction of his attorney, Dr. Brown refused to answer all the questions bearing on his guilt or innocence of his alleged in proceeding of ying both to Miss Overman, and was finally asked if he had not contain the cores examination. The minister was courtee mission attorney, should:
To are an infamous man. It's a lket. The clergyman's atorney said he would not contain the lessing the instructed optime of the piped cars were grouped at the ront of the strain t might be impossible to secure disk carbing the whole rear, but with a proper distribution of cars thoroughly equipped.
The sentiment among the members of the secure of the train to the train. The caboose would, of course, be fully equipped.
The sentiment among the members of the abuilt be for some time to present the at the train to the train. It is impossible to secure good brake efficiency of the brake apparatus more the ablem. a broken or kinked hose seriously impairs the efficiency of the brake action, if not The sentiment among the members of his church is said to be less favorable to the minister now than when the first reports of the scandal were an-nounced. A strong section of the con-crecation is said to favor forcing Dr. Brown's resignation. An ecclesiastical court of inquiry is likely to follow Mrs. Davidson's that, whether or not she is convicted of blackmail. as to call out extended discussion all means let us know all about it.
