CASTORIA

for Infants and Children.

MOTHERS, Do You KNOW that Paregerto.

Do You Know that opini and morphine are stopelying narcotle poisons?

Do Von Know that in most countries drugglats are not permitted to sell narcotics

Do You Know that you should not permit any medicine to be given your child mless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of Its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. namuel Pitcher. That it has been to use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Mnow that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 33 average doses of Castoris are furnished for 35

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts,

The New York Medical Record refers to the fact that Dr. Snow, to whom Great Britain owes its first immunity from epidemic cholera for the last twenty-five years, and, of course, for all future time, is almost forgotten in that country. In commenting on this fact Sir Richard Quain recently said. "Dr. Snow made us masters of the deadly plague of cholera. He thereby saved millions of lives. as masters of the deadly plague of choi-era. He thereby saved militons of lives. The sole reward which England has con-ferred on him is midnight obscurity. If he had been a soldler," he continued, 'instead of a doctor, if he had siain his thousands instead of saving his millions, every town would have halled him as a hero, and the nation would have honored his memory with monuments more en-during than brase." Dr. Snow's work consisted in discovering that cholers is a water-born disease.
