or settlement, appears to have taken its ise in a suggestion recently made by Bond Syndicate Has Gone Out of united States su. lostice Harlan, however, was not the st to make a suggestion of this kind George S. Clarke, who commands the r George S. Clarke, who commands the inglish forces in Malta, in discussing J. Fierpost Morgan Says That There is No possibility of a naval union between reat Britain and the United States, in farch, 1384, in the North American Re-lew, made a similar suggestion in the owing terms: An Anglo-American council could eferively deal with most questions likely arise. Four members on either side clining the respective highest legal ithorities, a president appointed for e years from each nation alternately, ntinuous renewal of members on the inciple of the United States senate and

inciple of the United States senate and implete dissociation from party polities with necessary conditions of the con-tration of a high tribunal, which would mmund iniversal confidence. To such hody, meeting once a year, would be farred by Joint concent, all questions of necessarily controversial, but of mi-nal arrangement; and the misunderstand-which the infracements of diviourity s which the interchange of diplomatic as inevitably promotes, together with friction on the manufacture of which me newspapers thrive, would cease. In e last resort arbitration would still be silable. The substitution of personal inference for smart dispatch writing ald mark an era in the realtions of

CRESPO'S COURAGE GREAT. ood Such a Test as William Tell's and Did Not Flinch.

New York, Jan 15-A special corres-ondent from Caracas, Venezuela, writes hat General Joaquin Crespo, president of the republic, is noted for his daring. He deared him off to his solders in but i keeping in the front rank whenever ore was dancer, refusing to hed the intous warning of his friends that his was too valuable to his country to unnecessarily. He believes, 1 am in predestination, and that he will die until his mission on earth has ence is that this invitation came from accomplished. the president, or by his sanction, from some member of the cabinet. This, it is said, is not a fact. When Morgan same an American variety company came to

racas recently, under the management Caballos & Tatalil. It included several oil acrobatic and symnastic performers, d two sharpshooters, a man and wife, vertified as Coleman and Mexis, whose rk scon became the talk of the town, e manager, Caballos, who had a long perforce with Barnum and Halley's cir-s in the United States, thought that

s in the United States, thought that would increase the prestige of his show he could have a private exhibition of noting in the presence of the president, c thing was arranged, and on Sunday prining Mr. Coleman decked his long, in body in a dress suit, with a string medals in the lapel of his coat. Miss wis donned a prety dress with a skirt of medals in the lapel of his coat. Miss Mexis donned a pretty dress, with a skirt reaching to her knees, a pair of top boots and a military cap. Mr. Caballos, wear-ing a diamond pin as large as an acorn, escorted them to the yard back of Santa inez, the presidential mension, where the targets were all put up and all details attended to before the president and the persons who happened to be visiting him were called out to see the shooting. The exhibition began with fincey shots at glass balls. The woman, Miss Mexis, broke balls her husband held in his hands She grauped her rife in all sorts of posi-

She grauped her rifle in all sorts of posi-tions. She stretched backward, forward, up and down and at each crack a ha'l was up and down and at each ernck a ball was shattered. Coleman put a ball on his head and posed before the target. Then Miss Mexis turned to General Crespo and told him that she would deem it the greatest honor of her life if he would place the ball on his head. The president was amused by the proposition. He turn-ed to the manager and asked:

treasury department.

WHAT SHUSTER SAID.

London, Jan. 15 .- At the half-yearly New York, Jan. 15.-Members of the bond syndicate received this morning a circular letter from J. P. Morgan & Co., meeting today of the Union Bank of London, the new governor of that insti-tution, F. O. Schuster, said that the prereleasing them from commitment to fur-nish their prorata of \$100,000,000 in gold, and a second \$100,000,000 if desirable, tak-in the stock of gold was due to increase 

MILLS ON FINANCE.

Washington, Jan. 15 .- Senator Mill's speech on finance, with frequent direct criticisms of the president and secretary

treasury department Washington, Jan 15.—The announce-tent that the bond syndicats had been solved was received here with some "purise." Margin's purpose in releasing his asso-fat a. It is believed, is to give them an mail chance with other banks and finan-ial institutions to secure whatever part of the loan they may desire. The only tertelism so far heard, of Morgan's public tatement. Is that his assortion that his high personal regard for the personal his high personal his high personal his high personal his high personal high high personal high high high personal high high personal his high persona statement, is that his assertion that he was "invited to Washington for a confer-ence" is misleading, as the natural inferwould press to a vote, without debate, the e olution that all government obligations should be paid in either silver or gold.

WINDY DAY IN THE HOUSE.

Washington, Jan. 15-Another day was

washington, Jan. is - Another day was consumed by the house in oratory upon the pensions appropriation bill, in the course of which the policy of the present administration towards veterans was scored by both Republicans and Demo-crats, and defended by two or three Dem-crats. The most notable incident of the ocrats. The most notable incident of the debate was the attack made by Grow upon what he termed an extratordinary attempt by the president and his clerks to encroach upon the prerogatives of the legislative branch of the government.

ALLISON & CANDIDATE.

Washington, Jan. 15.-The Iowa con-gressional delegation met today and took action formally announcing the candi-dacy of Senator Allison for the Republi-can presidential nomination.

Hops-Pacific Coast, 12 5s. Portland, Jan. 15.-Wheat, unchanged.

tion of the line through the city until the depot question is settled, and that they naturally are not inclined to pay much money for a location, they will not wait much longer on the Clatsop Mill people. Whether or not the depot is located at the Clatsop Mill, or Alderbrook, Alder-brook property will be pushed to the front and a large addition to the city built at that point, because the railroad must de-valor their own promotive for

New York, Jan. 15.—Complaint was fil-ed today in the United States circuit court in a suit brought by the Northern Pacific and Manitoba Kaliroad Co. against Henry Villard for an accounting The complaint alleges that the plaintiff company entered into an agreement with Henry Villard for the sale of first mort-gage and Winnipes Terminal bonds. The defendant, who was president of the Ore-gon and Transcontimentai Baliroad Co. caused the delivery of 51.05.00 worth of mortgage bonds to the Oregon and Trans-

Portland, Jan. 15.—The Young Men's Republican Club was organized in this city tonight by about 200 young men of the city. L. Al McNeary, formerly of Salem, was elected president. The club will be a permanent organiza-tion and it is the intention to enter into

tion, and it is the intention to enter into active work as soon as the nominations are made in the coming campaign.

### SITUATION CRITICAL.

Madrid, Jan. 15.-Captain General Cam pos has asked for cavalry re-inforcements to he sent to Cuba, and it is officially reported that the situation there is re-garded as being of the most critical sort.

THE BITER BIT.

Tit-Bits. Cit-Bits. Waiters have grievances as well as vaitresses. In some London restaurants, where the customers' the pay the wait-vou know. Depew, that was a capital thing you got off last night-capital? And do you know I have just this minute been Waiters have grievances as well as waitersses. In some London restaurants, where the customers' tips pay the wait-ers' wages, the proprietors put a tax on these tips by compelling the waiters to the sume of a large party, where the waiters receives only one tip for serving a number of people, he is out of pocket, as he does not get as much as the tax which his employer demands from him.

from him.

caused the delivery of \$1,075,070 worth of mortgage bonds to the Oregon and Trans-continental Co., and the remaining first value of all the bonds delivered is given as \$4,575,700, which, it is alleged, the de-fendant has sold and received payment for. Of this sum he has accounted for \$4,130,316, and it is charged that the de-fendant has realized from the sale of the bonds \$354,533, over and above all just charges and disbursements. PORTLAND REPUBLICAN CLUB.

ways make it the LEADING OBJECT OF INTEREST.

Should it be selected for park purposes. The city cannot afford to be slow in this matter, even if it does nothing more than to secure a bond for a deed on this property. It would not be necessary to make any large expenditures in improve-ments for years to come, further than to clean up the underbrush and open a place where the people might gather for recreation."

THE ENGLISHMAN SAW IT.

"At a private dinner in England," Chauncey M. Depew rays,"I told the very best story I could think of. It was greeted with a little lalighter. Next day I met my host on the Strand. He advanced to me smiling, began to laugh as

The fact which his employer stematics from him. In one large establishment the waiters have to provide f2 working capital, to pay is for the pass in and pass out of the premiser and 2s 6d for the cuttery and pewter used at the meals. Of course, the amount of each day's tips more than covers these sundry terms which the employers exact as their share of the "pequilites." But is not this another striking in-stance of the rotten system of "tipping," and of the way in which fools and their money are soon parted? An Englishman who had been in Amer-
