#### What is

# CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency, Castoria assimilates the food, regulates the stomach and bewels, giving healthy and natural sleep. Castoria is the Children's Panacea-the Mother's Friend.

### Castoria.

"Casteria is an excellent medicine for chilen. Mothers have repeatedly told me of its BR. G. C. Oscoon,

Lewell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not real interest of their children, and use Castoria instead of the various quack nostrems which are destroying their loved once, by forcing epium, morphine, southing syrup and other burtful agents down their throats, thereby hem to premature graves." Da. J. P. KINCRRLOR,

Castoria.

"Casteria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHIER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experifor distant when mothers will consider the ence in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor spon it." UNITED HOSPITAL AND DISPRISARY,

ALLEN C. SMITH, Pres. The Centaur Company, 77 Murray Street, New York City.

#### SHIPPING DAY BY DAY wards for the purpose of taking them back to the Gilbert group.

Marine Matters, Here, There and Everywhere.

The steamer Corona has been repaired and fitted up to take the place of the Mexico on the San Diego route, says the Journal of Commerce. The Queen and Topeka, and probably the Al-Ki, will run to Alaska. If the latter vessel should not be found available the Mexico will take her place. The steamer South Case derangements, and palnful disorders that afflict her sex, she will find relief and emacipation from her troubles in the Mexico will be assisted by the Coos Bay. The Sansalito has been fitted up to take her place on the Bay ferry route again.

Ethel—True, papa, but you forgot that I had to undress first.

Coughing irritates the delicate organs and aggravates the disease. Instead of and stilling ray one likes it. Chas. Bogers. Princess Christian of Schieswig-Holtache to Humboldt, and will probably be assisted by the Coos Bay. The Sansalito has been fitted up to take her place on the Bay ferry route again.

of Captain Oliver of that vessel, that his anchor was digging up the Oakland cable, be manned his six-shooter battery and dreve the state officials back to the wharf. The ship was finally moved by a rug and a gang of stevedores, and the bill of over \$200 is charged against the Erie (Pa.) Messenger.

A Port Townsend special says. The scaling schooner St. Lawrence arrived here from Scattle Friday evening and left yesterday for the Japan coast on her cruise. She carries a crew of thirty-four men. The schooner Columbia left here triday for sea, with your blood, clear your complexion, regulate your fine schooner Columbia left here Friday for sea, with a crew of twentynine men, and will endeaver to make her hand along the coast. Yesterday the schooner Decahks, with thirty-four men, started on her season's cruine and will also follow the coast line. The schooner James G. Swan, with an Indian crew, is at Port Haddock, being put in trim for the cealing cruise, and will also follow the coast line, as heretofere. The schooner the cealing cruise, and will also follow the cealing cruise, and will also follow the cealing cruise, and will also follow the reast line, as heretofere. The schooner Elsie, owned by John Slob-mbaum, of Port Townsend, safied from Victoria Priday for the Japan coast."

Captain Stott, of the steamer Miowers, eports via steamer Warrimoo the follow e experience after breaking away from a stoamer Strattmerks on the night of ecember II, while off Cape Flattery: It was blowing a built of the strathevis rolled heavily we noticed the Strathevis rolled heavily we noticed the Strathevis rolled heavily we noticed the Strathevis rolled heavily we note in his own coansends by that he is learning English by that h we lost sight of her and thought she had foundered. Owing to the heavy sea running we were compelled to head the Miowers for the open ocean at 5:30 a. m. We stayed in the vicinity of the place we dropped the steamer for 15 hours. We expected to search for the Strathnevis the next day, but such heavy blows came on that we could do nothing but put to sea and continue on our course to Hawall."

The Pacific Mail steamship Peru arrived yesterday, 25 days from Hengkong and 15 days 15 hours from Yokehama. The voyage was a pleasant one, she hav-ing escared the gale that almost overing estated the gale that atmost over-whelmed the cruiser Baltimore. Among her passengers are two United States naval officers from the Asiatic squadron, Surgeon C. F. Stokes and Lieutenant M. Falsey. Capitals W. H. Walker, late of the steamer Belgic, was one of the cabin passengers. He was suspended by the Oriental and Occidental Steamship Company for running his vessel aground at the entrance to Yokohama harbor, and has returned to lay his case before and has returned to lay his case before the complay's officials. Viscount Tamura of Japan came over on the Peru on his way to enter the United States naval academy at Annapolis. He will serve his four years' cadetahip, and after graduation, will return to his native land and receive an officer's commission in the Jananess navy—Call Japanese navy .- Call.

This afternoon a libel was filed in the nited States clerk'a office by T. N. Ho-o, master of the British ship Bedford-nire, in behalf of the owners thereof, J. Herron & Co., against the British ship Glencairn. It is alleged that on the afternoon of December 7, 1895, the Glen-cairn, while being towed into Astoria from the open sea, collided with the Bed-fordshire, which was lying at another; that the collision was due wholly to care-FREEMAN & HOLMES. leasness and negligence on part of her officers and regize on part of her officers and crew. By reason of the collision the Hedfordshire was seriously damaged and has been in course of repairs for some time, and that such repairs will not be completed before January 15. The cost of making the repairs and the expenses incurred by the deep ary 15. The cost of making the repairs and the expenses incurred by the delay will assregate \$8,926.25. For the recovery of this sum the suit has been brought. The ship Glencairn, which is moored on the east side of the river, was placed in custody this afternoon by the United States marshal. Ronds were furnished and the vessel released.—Telegram.

> The brig Percy Edwards, owned by Cap-The brig Percy Edwards.owned by Cap-tain James McKenna, which has been lying up in Oakland ceeek for two years, will probably be purchased for the Cen-tral American trade. Several wealthy persons from the Gilbert islands are trying to secure the vessel, and if they succeed her first mission will be highly creditable to herself and her new ewners. She will proceed to San Jose de Guate-mala and will carry home the "black-bird" Gilbert natives who were kidnaped some years ago by the tramp steamer bird. Githert natives who were kldnaped some years ago by the tramp steamer Montserrat. It will be remembered that Captains Blackburn and Ferguson engineered the scheme of supplying the Central American plantations with cheapisland laborers and landed a steamer load of the simple natives at Guaetmala. This stave trade soon fell into disrepute even on the Spanish-American coast, and the Manteerrat soon went into other business and was my deriously lost about a es and was my steriously lost about ear ago on the northern coast. mockies islanders have been leading a wretched existence under their Guate-malan tackmasters ever since, and their

countrymen to purchase the Percy Ed-

LONG AND SHORT OF IT.

Pick-Me-Up. Papa (impatiently)—Ethel, I should like to know, just for curiosity's sake, how long it has taken you to dress for the Ethel (sweetly)-A quarter of an hour,

Papa-A quarter of an hour! Why, I've been waiting here a good hour. Ethel-True, papa, but you forgot that I had to undress first.

Chief Wharfinger Root has a little bill agrants the ship Edward O'Brien for moving that vessel and her revolver-armed first mate out of the fairway, says the Examiner. Day before yesterday, when the harbor commissioners attempted to notify that officer, who is the son of Capitan Oliver of that vessel, that his anchor was digging up the Oakiand cable, be manned his six-shooter bactery and every line state officials back to the
