THE ART OF DINING.

tion of man in the art of dining. Dr. much like talking shop. Depew has been credited with saying so turned against him. One can hardly with England or Germany. imagine how a man who has directed the should place above the groundwork of his Observer Pague and his freaks with the life the comparatively every-day effort of wenther. eating his dinner. Of course Mr. Depew includes in the art of dining the mingled flow of conversation and wine which accompany the performance of the accom- Chicago Post plished diner. A dinner without good fellowship is simply something to eat. It is nature's way of restoring the ravages of time. On Mr. Depew's raftways the full man, "what character of a man world you want to be provided in the continued the thoughtful man." feat could be accomplished after a fashion in twenty minutes, but the art of
dining requires considerably more time

There is one point of view from which
There is one point of view from which
the remark attributed to Dr. Depew beyou have given the subject some the remark attributed to Dr. Depew becomes significant. The art of dining includes after-dinner speeches. How many men have been wrecked in after-dinner speeches no one knows. A good afterdinner speech is a happy combination of wit, wisdom and judgment. The wit of that distinction." a speech will not excuse the slightest indiscretion. The after-dinner platform is often erected to prove the scaffold of the speaker. Mr. Depew has probably made more after-dinner speeches than any other Rogers. man in America, and as he still lives he may assume that the art of dining is man's greatest achievement. But he is

every line of business as railroad transportation. In every mercantile and manufacturing enterprise the profit or the loss frequently depends on the rate of freight on the raw material or on the merchandise to and from the market. It is not so much the rate of freight as the equality of rates between individuals in the same community, and the spanlity and ratio of rates between comparison.

E. C. Subscribers will be entitled, by arrangement with the directors to receive there is not control of the different so third directors to receive the profit or tangement with the directors to receive the profit or the rate of the profit or the profit or the rate of the profit or the rate of the profit or the rate of the profit or every line of business as railroad transequality and ratio of rates between communities and countries. The defects in the interstate commerce act are obvious. Railronds mus. live and by prosperous as

well as communities and individuals. The promit status of the law does not in any way ment the requirements of the situation. England, through its magnificent reliway clearing house, has more nearly than any other nation solved the problem. Cannot the United States, with its army of brainy statesmen, develve some practical method of bringing the people and the railroads together on a common platform of mutual profit? The time is at hand when Astoria will be vitally in- pital. terested in these great questions. As the terminus of several transcontinental lines, a number of which are in the hands of receivers, the questions of rates and All communications intended for pub- traffic, and whether the railreads are to lication should be directed to the editor. Hee and do a profitable business will be paramount once, and the business men of Oregon at large, and Asteria in partentar, will have to consider these subjects. It is certainly not amiss that scribers the largest circulation of any thought and study be given these ques-

For sale by Chas. Rogers, Astoria Or., Sole Agent. J. B. WYATT,

Astoria, Oregon.

Groceries,

Ship Chandlery.

Provisions, PAINTS and OILS.

Special Attention Paid to Supplying Ships.

There are twines sold to fishermen on the Columbia river that stand in the same relationship to Marshall's Twine as a wooden image does to the human being-they lack strength-life evenness-and insting qualities. Don't fool yourself into the belief that other twines besides Marshall's will do "just us well." They won't. They cannot.

STEAMERS

Observation Cars, allowing Unbroken Telephone & Bailey Gatzert.
