O. B. Prael................Secretary

of the fleet to sail.—Call.

The San Francisco Call has the following item of interest to Astorians. The yacht Jessle will go on the dry dock to morrow and will be prepared for her voyage to the Columbia river. A few days ago it looked as if the deal would fall through, as Macdonough demanded \$5,000 cash, and the pilots could not raise the money. They paid \$2,000 down, and finally, at the last moment, some wealthy resident of Astoria put up the balance. As soon as she reaches Astoria the Jessle will be put into commission as a Columbia river pilot boat."

The steamer Augusta, Captain Tim

The steamer Augusta, Captain Tim (cill, arrived in early yesterday morning com Tillamook, with 700 cases of salmon-the little steamer had hard work getting There was a bad southwest sea, and in There was a bad southwest sea, and southenst wind encountered as soon as she reached the Cape, and altegether the massage booked very risky. The capitally exhausted feeling is prevailing, when the however, decided to risk it, and setting short sail, managed to make his port. He described the wind at midnight last

night, as fearful, and said that he had nover seen worse seas in the whole of his experience. Several pilots in the city yesterday, expressed their surprise, that the Augusta had been able to weather and come through such a severe storm in

The bark Cadzow Forest is now out sixteen days, and her continued absence is beginning to cause a great deal of anxiety among shipping men on the water front. The only consolation is that Pilot Grassman is known to be one of the beat and mose careful men in the business, and that previously vessis have been out a longer time than this although not under toe same circumstances. It is not under the same circumctances. It is believed by pilots that the Cadzow Forest bas shifted her ballast in a gale, and that she has become unmanageable; either the from San Francisco and way ports yesterday.

The British bark Lortan was taken up
to Portland yesterday afteringon to load
wheat for Europe.

The last report from the mouth of the
river states that the sea was very rough,
with the wind blowing thirty-eight miles
per hour.

The British bark Powys Castle, with a full cargo of wheat for the United Kingdom, came down the river from Portland yesterday. Portland yesterday.

The British bark Glengaber, has nearly completed discharging her Newcastle woal at the Can Company's dock, and will leave up for Portland Monday morning.

The British bark Errol, at Leith from The British bark Errol, at Leith from the national capital January 2. This is the first time for some years that the conventions of the two organizations had heavy weather, and in which her decks were strained and soats damaged. Advisor received from Panama, dated December 20th, state that a tidal wave everwhelmed and destroyed a great part of Santa Marta, Colombia. A great loss of life resulted therefrom. on the Topeka from Alaska before January 18th. In case of his non-appearance, Captain J. W. Gage, a former port war-

The following letter, which was received but will be raised without difficulty.

The weather bureau yesterday notified all shipping masters that it would be dangerous to leave for sea Juring the next thirty-six hours. Heavy southeast gales are expected early this morning.

The following letter, which was received yesterday by the collector of the port, is self-explanatory, says the Call:

Treasury Department, Office of the Secretary, Washington, D. C., January 8, 1895; Collector of Customs, San Francisch thirty-six hours. Heavy southeast essee, Cal—Sir: You are instructed whenever, under authority granted by the department, you issue a special permit to plot beat, whose gross tennage is 73.84, not 50.05, was assigned official number of 72.286 by the bureau of navigation, treasury department.

The pilot schooner Loyal was blown onto the sands early yesterday morning from her anchorage in Scow Bay. She has a very light, deaft and was assigned and the privilege of entering or touch-ing at a foreign port, and that if a vessel has a very light, deaft and was assigned.

Respectfully yours,
S. WIKE,
Acting Secretary.

"We have passed through a week of ullness," says the Commercial Review; holders of grain in Eastern Oregon and Captain Thompson and three of the crew of the British bark Jamet Cowan died from exposure and the intense cold after reaching Vancouver island, and three men were lost in the surf. This teen of the survivers have arrived at Port Townsend and eight still remain on the Malla Walla country very little. wheat has been disposed of as yet; hold-ers there are convinced that prices will "At the advance as to enable them to sell at a An Aberdeen special says: "At the present sime twenty-seven vesesls, sail and steam, are taking on lumber cargoes at the various mills on Gray's harbor, twelve of them at Aberdeen, for foreign and Coast markets. The mills are all running, some of them overtime, to fill lumber orders, with which they are crowded."

Certificates of American citizenship are being supplied by the bureau of navigation to scamen at the American mail steamships, and will also be issued to any other American seaman who may apidy for them. One idea of the issuence of these certificates is to have a ratifable at shipping commissioners' offices a valle, Roce of these certificates is to have a ratifable at shipping commissioners' offices a

United States District Judge Morrow has rendered a decision of great importance to marine insurance companies, says lifere is a good recipe in the fish line; the meat of one can of Magnolia salmon very fine; then place in a colabiler, and drain off all the liquor. In a same epan boil one pint of milk, with a squeepan boil one pint of milk, with the proper to faste. On the bottom of your baking dish place a layer of bread crumber cover with a layer of the salmon, next a layer of the milk and butter, and so on, having the bread crumbs for the last layer.

About the last of the scalers will get the mean of the salmon was shipped on the bark Belle of of Oregon for New York, but the vessel, encountering a storm down the coast, encountering a storm down the coast,
