WHY NOT Keep the City Clean, if Nothing Elec Is

To the Editor of The Astorian Asotria, by the grace of God, occupies an enviable position, and its citizens, well knowing this fact, have unbounded faith in its ultimate success as a port of the first magnitude. Faith without works will avail nothing.

It is true there are being buildings crected, saloons and their usual adjuncts not necessary to be mentioned further in

by painting them and gatheeing to gether the rusty fish cans, clam and

but lend such an unspeakable charm to that portion of the lots on which civilized people would use for the purpose of planting a few flowers.

It is a duty a rest owers. It is a duty a rest ower his follow-townpeople to be property in descri-renalt, and he should be just as particu-lar in this removed as he should be to keep his face washed or his clothes, even if they are old ones, in a presentabl state. It is difficult to understand why Astoria

compared to the heaviiful city of Venice. What is the matter with a Borneo riverside village as a fit compari-ura. Very likely it is unwise to mention

these matters in a newspaper article, but it is good to see things in their true as-pect now and then.

Must we not use the present time to There all advantage, for in doing so it will give us From good reason to look forward to the near nelu-future with well-founded confidence? in the words (slightly uttered) of that f 222.

Columbia Liver Packing Co. Are Sub-scribers to the Pand Actoria, Or., Feb. 3, 1996. Editor of the Astoria, Or., Feb. 3, 1996. Dear Str: A representative of your pa-per called upon me on the 50th of January set of a save the string hit soft of set of the set of t last, and asked me if I could give him a list of the names of subscribers of the Columbia River Packers' Salmon Propa-gating Co. and the amount of stock subscribed. I told kim I thought I could from memory, but, that I had no record, and advised him to write Mr. 3. Farroli, Portland, who is the secretary. For some defects of character and the cause; the reason he did not wast to write, so from memory I gave him the list you publish-ed, telling him at the time that I did not know whether the Columbia Liver Pack-and thus cause the boy to condemn him ing Co.) and emberriled or not, he prom-ised to see Mr. Tallant and ascetain whether or not they were subscribed by the teacher never enterling his mind.

fore publishing the list. I have since found out, that the Columbia River Packing Co. are subscribers, and that an injustice has been done them. THE RECEPT FOOL AT LARCE. and they have always been ilberal in such matters, I would thank you to make the correction. Respectfully yours, WM. H. BARKER. WM. H. BARKER.

Astoria, Feb. 2, 1991 Astoria, Feb. 2, 1991 To Parents and Teachers:-There are two ways of governing as well as two ways of governing as well as two ways of governing as well as two ways of governing as the of the salt of government, the other to the end that character may be formed. One a quick, impersona method, the other, and individual government, and individual and and and formed. One a quick, impersona method, the other, and individual government, and the solution of the formed. One a quick, impetuous methol, the other one that invokes slow growth impetuously and vehement demonistra-tion may success in overnowering the weaker nature and thus restrain the act, but restaint is not prowth. Threats and blows may force a concession, but reform cannot come from outward appearances alone. It must be from within -e champ of metive. The governor has falled un-ters this condition has been effected. Oth-erwise when his pressure is relieved the subjects revel in deville/mees.

subjects revel in deviliginces. Parent and teacher: Children have a place in their affections for you. If you would govern well you must allow yourself to be admitted to their confi-I A Parlor Trick Which Is Both Fritty

nee. A correction coming from such one will move the inmost soul and set new motive in place of the one rebuked. These A correction coming from such is one will move the inmost soul and set is new motive in place of the one rebinded in a very amusing trick is called the to the control of the one rebinded in the first correction inly rouses antagonism. Usus in reality is feating your very purpose. Love is third full. In the state of the one one of the one of the one of th point to a single act, having true re-formatory merit, but an act of kindness. Any parent or teacher who has succeeded has done so in proportion as he or sh was able to touch the hearts of the children. Persons of such temperaments that they cannot love all their children all the time will meet robuffs in propor-

Suspend this miniature cartridge from Support this miniature carryage from the cork by means of a piece of thread attached by a tin tack. The oper end of the cartridge must be hypermost, and when all is ready you cork the bottle lightly, having a lowed enough thread to swing the cartridge clear of the water. tion as they shut out affections. How unfortunate that persons in authority ever form a matred for certain subjects to be governed. Those characters cannot

to be governed. Those characters cannot but grow twisted and warped, being con-stantly hampered and repelled. Freedom to choose is the proper at-mosphere to prevail at home and at school. The governor should sink out of the child's consciousness when debates of right and wrong are going on in his or her mind. This is not possible with young children, still these should be a proper degree of freedom. It is possible with older pupils, if proper methods have been employed. Self must be the judge and the last court of appeal. Of author-ity comes in consciousness during soch They will act as your gun carriage. Pretty zoon the water will penetrate the blotting paper plugs and reach the tartarie acid. Efferivencerce will at once take place, and the carbolic acid gas them and the last court of appeal. Of author-ity comes in consciousness during such conditions of mind mentioned above, the fullest success has not been attained, Judgment and reasoning do not have inil-ent away. Thus, mistakes of those in authority will be copied bedily and be-come a part of the growing character. This, would be an ideal method if all who govern were perfect character. with And you will have a still further inita-tion of field artillery in the recoil of the bottle, which will roll lack everal factors. Make this little experiment. It is both pretty and harmless.

who govern were perfect characters-with out fault. Freedom, perfect freedom, en-ables the governor to study points for correction, thus he can work indirectly on huilding proper motives in the heart. Finest work guaranteed by Thor. Fred-ericksen, 2011 Bond street. Griffin & Reed, Commercial street, will take or-ders.
