plication to the business manager.

next to the Portland Oregonian, the first of June. That certainly gives none

#### THE POPULIST SENATE.

of the popular will, wholly out of range he brings Democratic senators and memwith what should be a properly representative government of the people.

It is not necessary to inderse these principles, but it is very plain that the present senate has done a great deal to A Tacoma Crew's Complaint in New meline the people to view with more inlent minds the proposition that the

With voices trained through the long vacation for shricking war notes, our senators yell defiance at Great Britain launch the thunderboits of wrath against Spain, and seem to be looking around everywhere for something the country ran be shocked at. If passes resolutions, full of words and fury, signifying noth-ing effective, and shricks for executive interference in European affairs which it has not the courage to openly initiate, and clamors for war in a manner scarce iy less criminal, considering the defense. The Wille Resentiable salled from 75-torn a heavy block in the hands of an office. This the captain admitted, but add the discharged the officers. Some head intrises on their their bodies. One man displayed a se-vere scalp wound, which was still even, although received nearly five months ago from a heavy block in the hands of an officer. This the captain admitted, but and the discharged the officers. The Wille Resentiable salled from 75-torn. Wash, on March 15 has for this officer, builders, builders, builders, builders, builders, best condition of the coasts and the tack of preparation for war. Or if the war

or retard a public calamity which might tion the country, he replied, "What can I do? No one woold listen if I upderiould to avgue the question, and 1 should only bring down upon myself the malles and bitter superlition of the mer who own the wealth and control the politics of the state, so that I could never again aspire to any position o \$7.00 honor or profit in the state." And this

man is today well known all over the country as one of the most pronounced and persistent howiers ier the unifmitcoinage of sliver.

his efforts. Today he is praying to be saved from his friends. The capert sent to investigate had re-

Jess condition of the coasts and the tack of preparation for war. Or if the war talk is indulged in with the belief that no war can come if is simply contemp-tible.
And the wretched farce of resolutions
For the pressure down the western captain. Mr. Gillespie, first mate: Mr. Sullivan, record mate, and Mr. Gilbean, third mate. The latter was a Corsican, and the crew say he was "the bigrest brute afleat."
Thomas Gavin's testimotry was the

the measures for the financial relief of the country are set aside, and the pre-cious foolery of attempting to pass free sliver and flat mency legislation a common sailor. When Gavin reached the deck Gilman grabbed an iron double

farce of "How not to do it."

Senator Morrill stated the case accu-rately and concludy in telling his col-leagues in the senate how it is that France so easily maintains silver at par pull down their money standard to that Gilman. pull down their money standard to that of depreciated sliver; they keep sliver to the amount of 266 million dollars with 772 millions of gold on the ratio of 15½ to 1." We have a set of the sliper standard the sliper asserted that they were short of all fresh pro-visions during the passage around the millions of gold on the ratio of 15½ to 1." We have far exceeded that ratio of 2% silver to 722 gold, but there need not have been any trouble wers it not for the know: edge that the free silver extremiats in the United States were pressing the domand to have free coinage adopted on a ratio which would have driven out all the gold. Senator Morrill did not exaggerate in say-ing that the disastrom results of our late havestments of nearly 500 millions in all-ver are but "as a drop in the bucket ver are but "as a drop in the buckst Journed the examination until today. when compared with what must flow from the enormity of the present proposal to open all of our mints to the free coinage of the sliver of all the world." He Pitcher's Castoria.

It is time for the senate to realize that the people are impatient of the prolonged farce of "How wat to do it is prolonged. Cavin stated of the senate to do it is prolonged. Cavin stated of the senate to do it is prolonged.

Gavin started aft to appeal to the cap-tain. Then Gilman brought the block down on the sailor's head, infleting the

France so easily maintains silver at par with gold. He said it is "because there is no blustering silver party and no silver-plated Democratic party daily striving to
