FREE SHEDS AND SILVER

standpoint in any act of any member of ment of the "manty art," and not the sor-Cleveland's official family, all fair-minded did love of dollars that actuates these men will regret that the house of repre- combative gentlemen. There are a name sentatives has seen fit to follow the silver ber of reasons why they should fight senators who have gone into the seed Maher holds a championship without havenlisting the sympathy of the farmers. "make good" or give up. Then the winand to revence thereselves particularly ner should meet Corbett, who ought to money Democrat from a Western state. | so ignominiously licked by a fire patrol-

This is the explanation of the passage man at a theatre. of the bill making compulsory the seed distribution perquisite of the senators It is not probable that President Clesco and representatives. While it is true land will take any action in the matter that under the law as administered for- of Minister Willis' refusal to recognize merly seeds were placed where they the Hawaiian national holiday, which would do the most good for the political was celebrated on the anniversary of aspirations of the distributors, even this the overthrow of Queen Lilluokalani. It motive would not have been strong is generally believed that Minister Willis enough to induce the senate to sanction acted under instructions received from a revival of the abuse if the majority in the state department direct, for, after the that body were not determined to make experiences in endeavoring to re-throne a fifty-cent dollar the only issue and to the barbarian queen, he would hardly punish everybody who has the courage to have taken a step which he knew would oppose them.

The clear intent of the law under which chals here. the seed abuse has grown up was to provide for the distribution of rare and new varieties of seeds which would not get coln "would use any currency by which into the hands of farmers in any other the army would be kept in the field and way. For this purpose, and this purpose the navy upon the scas." He would not. only, the law was justifiable. In prac- though, issue bonds in time of peace with tice, however, it had been construed to warlike lavishness, or allow the speculaallow the purchase and free distribution tors to make an endless chain of greenof large amounts of seeds and grains of backs. the commonest varieties at a large outiny to the government and with little advantage to the great mass of the farmers, as the seeds were given to political effect solely. The political farmers got most of the seeds; the plain, purchase or grow their own.

Much as Senators Vest and Wolcott would like to work the seed racket for is one of those persons who believes it is the increase of their own popularity, they not a sin to be a politician, under a revocate legal sanction of seed jobbery on publican form of government. probably would not have ventured to adan extensive scale if the secretary of agriculture had done nothing but administer the seed law according to its original intent. The motive for the impassioned speeches of Vest and Wolcott in favor of spending large sums of money for the free distribution of seeds is to be found in Secretary Morton's determining the seed of the seed in the seed of the seed of the first Morton's determining the seed of the seed o minister the seed law according to its

The free silver senators have simply toria people have, we would not have determined to apply the hold-up principle to anything and everybody that stands hat own these brick blocks would have had your mortanges paid off, owned your in the way of the free coinage of silver. This has been shown by their action in turning the bond and revenue measures passed by the house into free coinage bills, and the seed distribution act, as passed by the senate, was a measure of senatorial intimidation pure and simple. Cleveland will have the last say upon all hold-up measures, including seed bills. Captain S. N. Sadler in Scattle lines. as well as free silver.

The article in yesterday's issue calling attention to the matter of county roads, says: "I regard Dr. King's New Discovers a subject of the utmost important lung complaints, having used it ance to every farmer in Clatsop county, in my family for the last five years, to and every business man in the city of the exclusion of physiciac's prescriptions or other preparadets."

Rev. John Burgus, Keokuk, Iowa, newspapers of the state, real estate own-ers and agents, and yet so far as Ciatsop the Methodist Episcopal church for 50 county is concerned, there is little to years or more, and have never found anyoner an immigrant. Many have come speedy relief as Dr. King New Discovery there in the past, and have even gone so far as to invest in form lands, which after the past of the past ter investigation, they learned could not drug store. ter investigation, they because of their Though little fire grows great with itimaccessibility and the high cost of trans-porting products to market. The railroad dre and alve extreme gusts will blow out dre and alve extreme gusts will blow out will, of course, he the prime factor in the building up of the lower Columbia river, and the port of Astoria. Absolutely Dry and Pure Tropical Climate

Pronounced by Physicians the most Favorable in America for Sufferers from . . .

> Lung Diseases and Rheumatism

Many Remarkable Cures

The objections urged against India in the past by the large numbers who otherwise would have been giad to tak advantage of its beneficial climate, has been a lack or suitable accommodation. The Southern Pacific Company, takes pleasure in announcing that several

Commodious and Comfortable Cottages

have just been erected at India station, that will be rented to applicants at reasonable rates. They are furnished with modern conveniences, suppiled with pure artisalan water, and so situated as to gove occupants all the advantages to be derived from a more or less protracted residence in this de lightful climate.

**TEMPLE LODGE NO. 7, A. F. and A. M.—Regular communications held in the first and third Tuesday svening of each monta.

W. G. HOWELL, W. M.

(From the San Francisco Argonaut.)
"In the heart of the great desert of
the Colorado—which the Southern Pa-cine road traverses—there is an oasis REAL ESTATE, NOTARY PUBLIC. called Indio, which, to our opinion, it the sanitarium of the earth. We be-leve, from personal investigation, that for certain invalids, there is no spot or

this planet so favorable."
G. T. Stewart, M. D., writes: "The purity of the air, and the eternal san shine, fill one with wonder and delight.

* Nature has accomplished so much that there remains but little for man to do. As to its possibilities as a Republic, lews, says: "I bealth resort, —here is the most per-Minute Cough Cure in fect sunshine, with a temperature alhave used one Mirais Cough Cure in fect sunshine, with a temperature almy family and for myself, with results ways pleasant, a perfectly dry soil so entirely satisfactory that I can hardly find words to express myself as to its media. I will never full to recommend it to others, on every occasion that presents itself." Chas. Rogers.

It is a joy to think the best we can of the interest of the place, above all others, for lung troubles, and a paradise for rhoumatics. Considering the number of sufferers who have been cured. I have

no hesitancy in recommending this genial oasis as the haven of the afflict ed."
