DO YOU WANT TO BE A MARTYR? Probably not! But if you do, try and get the drags out of your system. Then you'll suffer martyrdom with a vengeance! Some people are martyrs to this complaint from childhood to the grave, suffering from all its attendant horrors of heartburn, wind and pain in the stomach, weary slumber and nightmare, capricious appetite, nausea, biliousness, lassitude and weakness. No remedy is so effective as the complaint, substitute as it is, when the ordinary remedies are brought to bear upon it, invariably yield to the great stomachic, Hostetter's Stomach Bitters, which restores tranquility to the gastric region and nerves, regulates the liver and bowels, both of which are disturbed by weakness of the stomach, and promotes appetite and an increase of flesh. "Tonic of the soul," the dinner bell, when it peals upon the ear, suggests no premonition of dire calamities after a comfortable meal if you have tried a course of the Bitters, which also banishes biliousness, rheumatism, nervousness, malaria and kidney trouble.
