Committee of Ten Get Further Subscriptions and Many Promises.

BRIDGE IRON HAS ARRIVED

Nine Car-loads in Portland and Three Others Following—Waxfield and Jacobson Get the Contract for Setting Up the Draw.

Chief Engineer Curtis, of the A. and C. B. R. R., returned yesterday from Portland, and says that the report in yesterday's Oregonian that the iron for the draw has arrived in Portland is correct. Nine carloads reached that city on Monday, and three carloads probably arrived yesterday, completing the shipment. The O. R. and N. Company will transport the freight to Astoria and will land it on Flavel's wharf. Mr. Curtis has let the contract to Messrs. Waxfield and Jacobson, for the erection of the iron work, and these gentlemen have filed their bonds and are ready to proceed with construction as soon as the foundation for the pivotal pier is finished.

Contractor Fastabend will ship his new pile driver this morning to New Astoria, and will put it in place for the driving of piles at Tandy and Alder Creeks. Corey Brothers report work progressing rapidly at Tongue Point, and with the beginning of work in the city on the depot and water front, Astoria will this season present a lively appearance. The committee of ten yesterday largely increased the subscription for the depot fund, although several of the subscribers do not appear in the published list. Some property was donated which can probably be realized upon very shortly. Several of the larger property owners have indicated a willingness to donate, but have not yet designated the amounts. The list as corrected up to last night, follows:

MR. HERMANN STAND DOWN

Thomas H. Tongue Receives the Nomination for Congress in the First District.

THIRTY-FOUR BALLOTS TAKEN

It Was the Field Against Hermann, and the Field Won Hands Down—Tongue Received Eighty-three Votes on the Last Ballot.

Albany, Or., April 7.—The Republican convention of the First Congressional district met here this afternoon to nominate a congressman, two delegates to the national convention, and two presidential electors. The principal contest was over congressman. There were five candidates: Hinger Hermann, of Douglas; H. B. Miller, of Josephine; T. H. Tongue, of Washington; Warren Trull, of Polk; and Tillam Fork, of Marion. In the organization of the convention it was the field against Hermann, and the field won, electing O. H. Irvine, an anti-Herman man, chairman.

Hermann began about 4 p. m., and at 11 p. m. thirty ballots had been taken. The first ballot resulted: Hermann, 5; Tongue, 2; Ford, 1; Miller, 1; Trull, 1. In the organization of the convention it was the field against Hermann, and the field won, electing O. H. Irvine, an anti-Herman man, chairman.

STATE REPUBLICANS.

Second Congressional District Convention Will Convene Tomorrow.

Portland, April 7.—The Second congressional district Republican convention will meet in this city tomorrow evening. The fact that there are two sets of delegates from Multnomah county claiming admission to the convention, it is probable the convention will meet about 4 p. m. Thursday, in order to allow the contest of the Multnomah delegates to come up before the state convention. There are 11 candidates for congressmen, 10 for electors, and 10 for delegates to the national convention. The present congressmen, M. A. Moody, The Dalles; J. H. Huntington, Burns; J. L. Hand, Baker City; and John P. Caples, Madras, are all Republicans. The support of the radical free silver men of Eastern Oregon, but the situation is so mixed, owing to the Multnomah contest, that combinations are hard to form.

Kansas City, April 7.—After a campaign filled with bitter strife and in which parties were split from camp to circumference, the city election today passed off peacefully.

ELECTION IN KANSAS.

Republican Victory in the State from Whence All Whiskers Come.

Topeka, Kan., April 7.—Special dispatches to the Kansas city press from cities of the first and second class held today throughout the state show little of general political interest. Republican tickets were put up generally and carried, with little opposition, but Citizens' tickets, based solely upon municipal questions, were ably supported and won a dozen seats. In Wichita the Citizens' ticket captured three wards and the straight Democratic ticket elected four of six councilmen, still leaving the majority Republican. In Emporia the Citizens' ticket swept everything. There was only a medium women's vote, except where the "no joints issue" was contested. In all the latter cases the temperance sentiment won. In Topeka the Republicans carried everything.

COLORADO ELECTIONS.

Denver, April 7.—In most of the cities and towns of Colorado, aside from Denver and Pueblo, elections were held today. The election is entirely on local issues, although the Republicans put a party ticket in the field, and in most places polled its normal strength. In Highland the Republicans won by from 20 to 40. In Leadville, where the Populists have been in control, the result is in doubt, the Republicans having made decided gains. In many of the smaller towns the liquor question was the one at issue and almost invariably the temperance element won. Women were well represented at the polls everywhere.

UTAH REPUBLICANS.

The latter was defeated, 113 to 17, and the fate of the District system bill still hangs in the balance.
