Meany is the leading tailor, and pays the highest cash price for fur skins.

Marshall's twine-used by 75 per cent of the fishermen on the Columbia river.

Ice Cream Soda in twenty-two different flavors at C. B. Smith's. Private par iors for ladies.

Business men, it you want to fix up your office for the coming year with the best of letter heads, bill heads, state-ments, etc., call at the Astorian job office where you will find the best of stock and material. and material.

street, is the place to buy your dry goods, clothing, boots and shoes, ment at the Gerident vesterday. Want an auctioneer, S. Frishman works. want an auctioneer, S. Friedman makes his office at the Oregon Trading Co

Go to Elmore, Sanborn's office and see their new and handsome twine testing machine. Take along some of the twines "as good as Marshall's," in your pocket, and test them. Then see how much more Marshall's will stand. It's money in your pocket and fish in your net to find out.

A prominent steamboat man says: "My family have used nearly every brand of Beer, Iron and Wine made, and are sai-lafied that the preparation made by the Estes-Crain Drug Co. is the most palatabel and nutritious of any they have ever used." If you are run down and need a tonic, you should use it.

A. Cleveland. For E cents you can secure an exceltent well-served meal at the Hon Ton Restaurant, No. 571 Commercial street. They are also fully prepared to lerve three blocks, and Clarement, containing all kinds of fish, game and delicacies of the season, as well as oysters in every imaginable style at the lowest living prices. Come once and you will con-Architect Schacht reports that the Architect Schacht reports that the frame work for the office fronting on Franklin avenue for Kopp's new brewtinus to come.

ored with acids. The acids rot the fibre soon be able to completed, and that he will and resider the material useless. In the office of Elmore, Santorn & Co. is an ob-ject lesson that ought to be examined by all schermen. It is the whole of the material used in the manufacture of Mar-shall's twine-from start to finish. Go there and examine the color right through. You will see then why Mar-through. You will see then world.

Charles Wirkkala's saloon on Seventh street, the well known and popular re-mort in the Howery, still maintains its reputation. Mr. Wirkkala is an expe-risenced man in his line of bushness and keeps on hand only the best grades of wines, liquors and cigars. Concert every evening furnishes amusement for visit-ors, and Professor Schwabe, the well known planisi, is making the music one of the features of the place. Call and bring your friends with you.

Y's, remember the meeting on Thurs-day, April 23, at 615 in Rescue Hall par-tor. The First Dish Pleaseth All Strangers are welcome at the W. O. T. U. meeting today at 2 o'clock at Rescue Hall parlors

We hope your bargain appetite is Andrew Linder, Oiney, and Louis An-derson, of Gray's River, were in the city yesterday. good, for we think our first offering in sun umbrellas and parasuls is of

Morchants yesterday reported business as being very dull, and real estate men-were simply doing nothing.

F. J. McHenry, state organizer of the Woodmen of the World will arrive in the city tomorrow, and will deliver a loctare on Woodcraft. DUNBAR All young people are cordially invited to attend a Peanut Party to be given by the Y's at Mrs. W. W. Parker's on

Thursday, April #. The graders on Tenth street are mak ing good progress. Earth is being taken off the bill and filled in the noise lower down. This is a move in the right direc-

tion. The ladies of Grace Church branch of the Woman's Auxiliary will pack the missionary box this (Thursday) after-noon in the Bunday school room at 3 The swelling grain, the waving grass, And in the cool, fresh evening breeze That crisps the wavelets as they pass.

George P. Morris Investigation yesterday, of the rumor that some of the canners would start that mon fishing in a day or two at five cents, proved that there was no truth whatever in the statement. Baseball girls are beginning to take the

A well known doctor says that people as a rule hear better with their right than with their left ear. Some Asto-Nover were so many mock ;ewels in politicians, according to reports have Jeash Jewett is visiting friends on using their left ears.

Architect Schucht Vesterlay received Architect Bohacht yestering received hids for the credition of Mr. Wiles new store on Commercial street. The idds will be opened in Portland and the rames of the sourcessful bidders will be on-nounced. The building will occupy the present sits of Reasus Hall. E J. Chamberlin, of Portland, is at the Mr. Emil Behacht left up on the Tele Treat the oyster with consideration; ifs Water everywhere and yet no water

Water everywhere and yet to water. The steamer Electric yesterday lowed a barge carrying a birge tank of water to the pile driver at work on the bridge at Tanay creek. There being no fresh water in the immediate vicinity it was found cheaper to havil it from Astoria.

Mr. A. Ginlin, of San Francisco, is h Mr. Graham, of Warrentsni, the builder of the fine launch now in the service of the Eureka and Epicure Packing com-Needles, it is said, ante-date history pany, was in the city yesterday. I brought with him the model for a ne launch, which, if built, will certainly H They were first made in America in 1960 Mr. J. C. Moreland, of Mount Tabor

a most beautiful one. It is to be fifty feet in length, with eleven foot learn, and its general plan is most excellent. While working on the draw bridge pler

in walking across a plank, Frank Sc maker yesterday was precipitated by breaking of the plank, twelve feet to the bed of cement below. He struck on his side and fractured the left ankle. The injury is guite a serious one, as the liga-ments of the arkle are badly incerated. Mr. Shumaker was brought to the city and Dr. Estes called to dress the would. The doctor says it will take a number of weeks to put him in condition to work

After his fall, a heavy crowbar identally dropped from above, again. was accidentally dropped from above, which landed, sharp end down, within an inch of Mr. Shumaker's face. The escape from death was a narrow one. Andrew Olsen, who came over from Thinook Beach yesterday, says that mat-

ters are very quiet there and at liwaco. The militamen have been withdrawn from Chinosk, but are still at liwaco and Sand Island. He stated that his brother who was returning at 11 o'clock Tuesday night from the traps of which he has charge, to his scow on the beach, was ordered to halt by the molitiamen. When he refused to do so a volley was fired across the prow of his boat. He then halted, and landing on the beach, was compelled to disclose to the soldiers his identity. The traps which have been regularly operated in the past are being

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhosa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea-the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for chil-"Castoria is so well adapted to children that dren. Mothers have repeatedly told me of its I recommend h as superior to any prescription knows to me."

H. A. ARCHER, M. D., DR. G. C. Oscoon, III So. Oxford St., Brooklyn, N. Y. Lowell, Mass. "Castoria is the best remedy for children of "Our physicians in the children's department have spoken highly of their experi-

which I am acquainted. I hope the day is not far distant when mothers will consider the ence in their outside practice with Castoria, real interest of their children, and use Castoria and although we only have among our instead of the various quack nostrums which are destroying their loved ones, by forcing medical supplies what is known as regular products, yet we are free to confess that the oplam, morphine, soothing syrup and other hurtful agents down their throats, thereby serits of Castoria has won us to look with favor upon it." sending them to premature graves."

good effect upon their children."

Eye witnesses of the fire in Uppertown resterday morning may there was the pulckest work done in throwing streame lirect from the hydrant by Company No

Captain O'Connor, of Warren's little steamer, the Volga, was in town yester-day afternoon. He reported that there was practically no change in the situation up the river. The Eureka and Hume canneries are both receiving fish, and the fishermen report fair catches considering the slack run. Twenty-one boxes were delivered to the Eureka cannery yesterday. The captain said that at this were delivered to the Eureka cannery What though we come ere you expect delivered as yesterday. The captain suid that at this season of the year there was usually a very light run of fish, and that no one was loaing very much at present. He stated that this was the most peaceful Breakfast strike he had over seen, and that i reminded him very much of the strike suilors in Chicago in 1865, when the aired, and new piles driven wherever men from 300 take vessels walked out and

BICYCLE ACADEMY.

A MAN CAN'T DO IT.

The popular traveling man, A. P. Brad-bury, who was in the city yesterday, was heard to remark to a group of friends: "A well-educated snake, with his digestive organs in fair working con-dition, needs to be fed only once a week, but then of course he wents a sumare but then, of course, he wants a square meal. After dinner he enjoys his siesta as though he had been dining at the club, and doesn't wish to be disturbed. that the center pler for the draw bridge was such as being rapidly filed with concrete. There are only forty-four mere ples to drive to finish the draw days from now then in eight or nine with the piles to drive to finish the traw rest, and he says that in eight or nine days from now they will probably be but were separated by quite a space. And the snake seemed to enjoy himself, and no dyspessia resulted. Now, if an Astoria man should do that he would probably feel uncomfortable for a day or two."

Biscuit and pastry raised by Price's Baking Powder are light and sweet.

FRIDAY'S MENU. What though we come ere you expect us:

Fruit. Spinach Omelet, Spanish Sauce, Deefsteak, with Anchovy Butter. Hot Huns. Coffee.

Luncheon.

Dinner.
