For Family or Stram I primars CLEAN .... REASONALE IN PRICE ... Try It. ELMORE, SANBORN & CO. Agents. Astoria

Mr. Martin Fourd has been appointed

upon the board of pilot co-missioners to succeed Captain B. F. Packard. As-teria can congratulate herself upon se-

Crowds thronged the O. R. and N. dock all day yesterday to get a look at the iron for the new bridge across Young's

Ray. Agent Lounsberry had his hands full entertaining his many visitors.

Captain W. H. Patterson, the Columbia river pilot, returned yesterday from up the river where he has been taking soundings for his own use. He went to Portland last evening on the Thompson.

The merchants yesterday reported trade very good. What occasioned the increase no one can tell. Possibly it was the Republican convention, or per-

haps it was the settlement of the depot matter,

General Passenger Agent Hurlburt, of the O. R. and N., who passed through the city on the steamer from San Fran-

Agent Lounsberry, of the O. R. and N., as an old Astorian, and one of the

enthusiastic pushers for the fallroad, was a proud man yesterday when the seven-teen cars of bridge from were landed at his dock by the Ocklahama.

Contractor Fastabend was in the city yesterday from Flavel and reports that the piling for the Tansy Creek bridge has been entirely finished; that the piling

for the After Creek bridge will be fin-ished this week, and that the rip-rapping for the approaches to both bridges is

The steamer Potter will go on her run again the first of May, having been thoroughly repaired and renovated. Steward Simpson, of the R. R. 'Nomposon, will lay off today in order to put

the Potter in trim for her first trip, and he will hereafter have charge of that department on this handsome steamer.

James O'Connell, of Foard & Stokes,

tells a good story about a young lady who wanted to buy some tea. The polite

clerk, in waiting upon her, naturally in-quired what kind of tea she wanted. The answer was somewhat surprising: "I want 5 o'clock tea, if you please, sir."

James immediately sent around the cor-

daughter, Laura, went up Sunday to at-tend the ceremony, and the entire party will return to Astoria this morning. The

The Methodist church was filled to

overflowing last evening by a large and

appreciative audience anxious to hear the

Rev. J. J. Walter's lecture on "Crimes and Criminals." The speaker held the rapt attention of his audience through-

out the discourse. Pathos and humor, tears and laughter followed each other in quick succession, and the lecture was instructive as well as amusing.

is built. The residents of Uppertown and

Alderbrook are enthusiastic in the mat-ter, and there is every prospect for a successful issue of the enterprise. A de-

pot at Smith's point will be next in or-

Frosts in this country do not seem to be hurtful to the buds or blossoms, but

the cold rains while trees are in bloom either force the buds back or break them off. He was somewhat of the opin-

ion that they might raise a crop of chil-biains rather than apples. Some plow-ing has been done and the prospect for
