weekly circulation in the state.

Every person who is interested in getting at the truth of the money question atmaid read the following simple and actical demonstration of the evils of a low standard taken from the Chicago Times-Herald:

It is always an interesting inquiry en a new measure of public policy is posed, mere particularly when it inves economic questions-what is the sefit to be derived, and what particuher part of the community will receive the most advantage, if it so happens that it does not fall upon all alike, as of course all public measures ought to do. This inquiry has especial reference to the mean execution that is at the present a maney question that is at the present ment the chief political issue before speopls. There is much talking about and silver coinage, about "gold" and "silver lunatics," about "font dollars" and "coinage at 16 to 1," out "Wall street" and" the silver mining camp," and much time is spent in fubminating epithets when it might be loyed in argument.

ter employed in argument. mobably no question that has ever n made a political issue appeals more ongly to our selfishness than the ney question. The value of all the supporty we possess is expressed in the arms of money, and not our property mly but our labor.

a cow, a corner lot, a share af since, a bond or a note at all meas-ared as to their transferable value in many. They are worth so much. So af our later, whether in the professions, the shillful trades or in more manual employments. We are worth so much ties or our property, and the ucts is low and the surplus for export

by the leaders of the Republican party, and is absolutely certain to be uccared

in the next national platform.

In the account of the proceedings of the recent Republican county convenand a blessing to women. Thousands are in the bloom of health through using it, when otherwise they would be under the sod. Are you a sufferer? Use it, tion published in the Astoria it was stated that Delegate P. J. Goodman was a strong opponent of the platform adopt-

ne day we may read-A little wife self willed. Rosewood coffin early filled Spite of doctor well skilled. ed. In the absence of any assigned reason, the inference of course was that Mr. Goodman's objection to the platform was because of its plank condemning Ovarian, Fibroid and other Tumors the free coinage of silver. To leave cured without surgery. Book, testi-monials and references, mailed securely Mr. Goodman in this position would be to do him a great injustice, as he is sealed for 10 cents in stamps. World's Dispensary Medical Association, Euffalo, N. Y. noted among his personal friends and associates as one of the staunchest advocates of the present gold standard in The April number of the Northwest ail Clatsop county. It appears that his only objection to the platform was that he did not think it went even far enough in explaining the error and malign con-

country. The leading features of this issue are "Prospecting in Central Idaro," by Rollin Smith: "Reminiscences of sequences involved in the agitation or country. adoption of the free coinage idea.

Thes conversion, therefore, seems un-

constrained, therefore, seems un-suble finit a government or if com-chould establish the highest of anothy whereby to measure to humans of labor and property constitute the business of the Within the business of the Within the business of the

used value becomes variable, who sur-and the point of the process of the con-mources behind them or the men who have nothing but their hands or brains? Most assurently the latter. A well-nown benker of the town has often been frame who distributed more than for he out of make money whether we were on a golf or a sliver basis. So he could, and not and could not affect him, for he out of make money whether we were on a golf or a sliver basis. So he could, and no a sliver basis. So he could, and no can any copilative. It is the max who dispends upon his labor that we have always given protection to our shipbuilders. In late years we have hegiested to protect our shipowners. We believe the time has come to return to the policy of Washington and Hamilton, which, by discriminating duties in favor of American bottoms, secured 90 per of American bottoms, secured 90 per of American treights to be puid to Ameri-anity, therefore, which is most inter-and if preserving the scalifies of the com-mutality, therefore, which is most inter-cans." value becomes variable, who suf-

nutalty, therefore, which is most inter-mined in preserving the statility of the arrange a... its high value. But of whom is the creditor these composed? Anilestify of those to whom something

is due from day to day, from werk to week and from month to month. These are the laboring people, the men at the he is entitled to be paid for his day's women receive wages.

Is it not, then, inexplicable that a single proportion of those who in the weat of their face carn their daily bread, laying by perhaps a triffe from week to week toward a rainy day, de-pending it in a savings bank-that these should be led away by the cry for cheap y? What do they want with cheap by. or "poor mans" monsy? If is any difference why should they money? ot have the rich mens' money?

And get it is pretended that the labor-ing men-the poor man as well as those is moderate circumstances-desire most all to have cheap coinage and cheap

mey. The demand that silver, which the makret rates at 37 to i compared the gold, shall be admitted to free coinand in our mints at the rate of is to 1. That they propose to take those half-priced dollars for the money due them for their labor!

for their labor! From every point of view except that af charity and philantbropy a more in-comprehensible proposition was never addressed to a same people.

THE BANKRUPTCY BILL.

has of the commendable matters of istication which congress has long negterted is that of bankruptcy. It is is a propulser to take the house banksuriay alli up next week and press it to The olli has been carefully Hen William growt and it is expected to pass the square b a pro-tunately the outlook for hip share fi the white does not appear priorr star.

This is to be regretted. " A uniform system of bankruptcy is demanded by the commercial interests of the country. If properly framed it will be fair and just to debtors while affording needed protection to creditors. Every great commercial nation except the United States has such a law. Here there is no uniform national law, and as a consequence the various state insolvent laws are in force. These are conflicting, and in many instances by allowing unjust in many metaneces by allowing unjust ence that put pluck and hardinood to preferences to favored creditors are the about their last test, and which, in the source of great injustice and even fraud. relation, often makes the reader each is breath. The paper is fully illustrated. Elizabeth Stuart Photos, in a source of great injustice and even fraud.

ucts is low and the surplus for export grows larger; and, as it has to be sold to people who earn low wages, it has to invaluable. They are guaranteed to be had delivered them. be sold at low prices.

Following is the ship protection plank in the Massachusetts Republican state sonvention, adopted March 17, 1896: Druggist. "We have always given protection to

dark colors the story of Spanish tyra the policy of Washington and Hamilton, which, by discriminating dutes in favor of American bottoms, secured 30 per cent, of our carrying trade to American ships, and which, if now restored, would

The state will be the served for the served for the served and from here is a creditor, and the plow. The toller who is a creditor, and is a creditor and state of the shorel and the plok. The toller who is a creditor, and is a creditor, and is a creditor, and is a creditor and state of the shorel and the plok is a creditor, and is a creditor, and is a creditor and state of the shorel and the plok is a creditor, and is a creditor and state of the shorel and the plok is contemptions of the basiner they pretend is a creditor, and is othroughout the whole whole is convertion and there seems and the resident was a creditor and the sector and the sector and and there men and is increditor, and is the convert wages. The Forum for May will contain the first of two paers on "Modern Nerwe-glan Literature," by Bjornstjerne Bjorn-son, the distinguished Norwegian poet, novelist and dmamatist. His first paper dorse and pledge their support to a can-

didate nominated and run by the men who openly revised and insulted them?

In the communication signed "Sound Money Democran" published in yesterday's issue there was a typographical error. The communication said there were one hundred and fifty sound money Democrats who would vate for the Republican candidates for the legislature on the platform adopted the other day, instead of only fifteen, as appeared in the publication of the communication.

M'CLURE'S MAGAZINE FOR MAY.

With some beautiful reproductions o paintings by Jean Francis Millet, in Me-Chire's Magazine for May, Mr. Will H. Low provides an excellent study of that he sultan of Turkey. Low provides an exterior study of that painter, whom he visited several times in his own studio at Barbizon, and of whose manuer of life and conversation he gives some vory pleasant personal recollections. In the name number, Dr. W. W. Keen considers the Rosenigen discovery in photography with reference to its use in medicine and surgery.
