

CASTORIA

for Infants and Children.

MOTHERS, Do You KNOW

MOTHERS, Do You KNOW that Paragol, Dalesman's Drops, Godfrey's Cardiac, many so-called soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. J. C. Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "CASTORIA" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

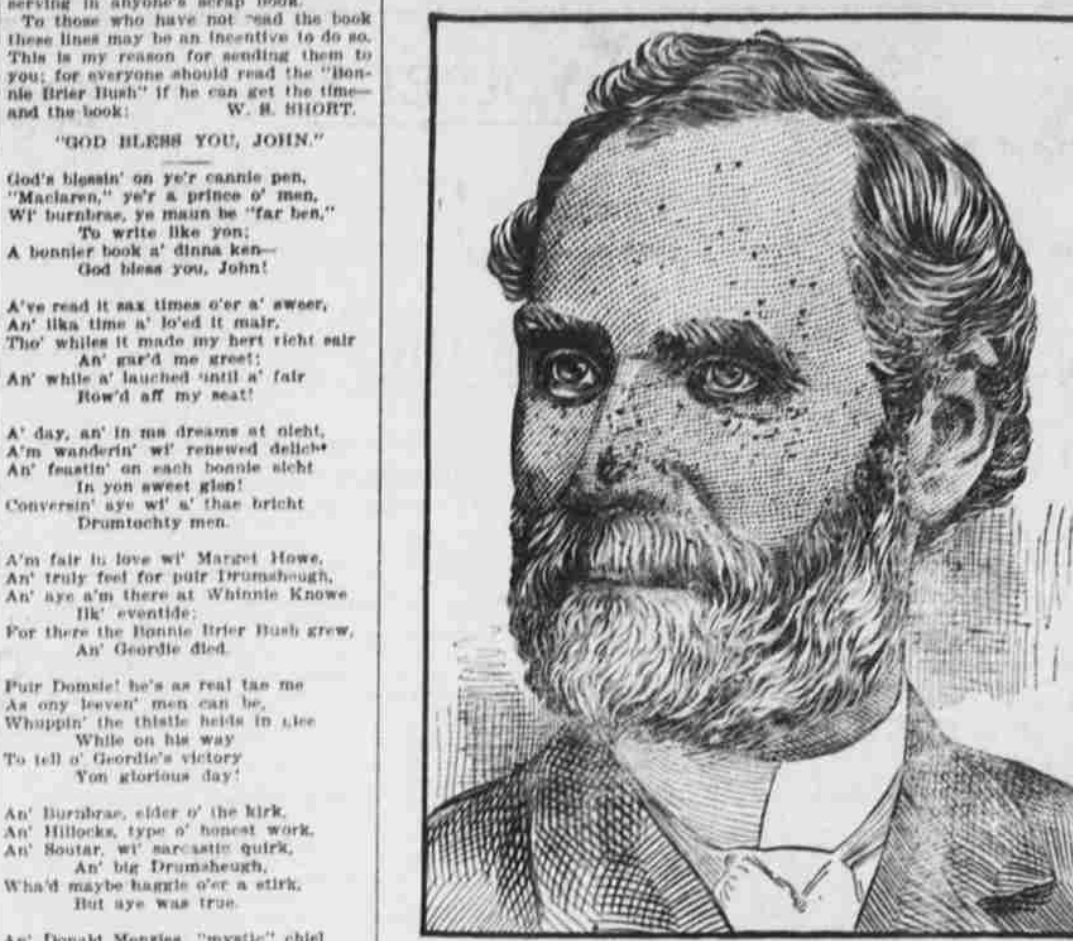

Well, these things are worth knowing. They are facts.

The fac-simile signature of J. C. Pitcher is on every wrapper.

ANOTHER CONGRESSMAN

Paine's Celery Compound, the Great Spring Remedy, Made Him Well.

A congressman is a public servant in the full sense of the word. He is responsible to his constituents, to his party, to himself—the honorable office is full of hard, thankless work, and heavy responsibility.

There is something wrong when one feels "tired all the time." It is contrary to every condition of good health. There ought to be no necessity of drumming into the ears of tired men and women who feel they are broken in health, and are every day losing in weight and strength, the urgent need of taking Paine's Celery Compound, now "in vogue" to restore their spent nerve force and purify their blood.
