The value of reciprocity to the milling industry is strikingly illustrated belief in any degree prevails in Belfast, for I had hoped that the town was, like American flour jumped from 114,447 Ireland in general, exempt from its barrels in 1891 to 366,175 in 1892 and abors should have the effect of contri-616,406 in 1893, but which quickly declined upon the passage of the customs law of 1894, when Spain placed a retallatory duty of \$4.74 per 220 pounds upon our flour.

ment to convince the farmers and mil-Bers of this country that the tariff and When she L Children, she ga sthem Castoria. reciprocity are purely business questions.

Walter Wellman says in the Chicago Times-Herald: "Senator Teller is in a draw his check for a million when I left. How much money has he now? Citizen the St. Louis convention, with the he fail?" "No; he died."—New York state of Colorado in the hollow of his he fail?" Weekly. hand, and intends sitting in that convention and taking part in its proecedings. But he is more talked among children caused by bowel troubles. Perfect safety may be assured of the Chicago convention. This is decidedly awkward for Mr. Teller, who is a man of honor, and who possesses a keen sense of the fitness of things, relief. Chas. Rogers In consequence he deprecates the talk sue from him, do the same thing. Mr. Teller affects to believe the St. Louis convention will make a platform on which he can stand, but if he were wholly frank he would admit that sort of thing is not likely to happen. Teller intends to walk out of the St. Louis convention after the platform is adopted, and he hopes to be nominated at Chicago. Indeed, he is now the most man's business by the way he uses the prominent candidate in the silver door knocker. party. The scheme, as it has been expained to me by silver leaders, is to all other skin diseases it can be permakeep Teller in the background as much mently cured by applications of DeWitt's Witch Hazel Salve. It never falls to cure Piles. Chas. Rogers. vention, because of the peculiar situation which he now finds himself in. But after he has boited at St. Louis the Teller boom is to be pushed for all store he calls it 'tonic.' "—Cincinnati Enit is worth, and its backers expect to quirer.

make him the nominee."

As is well know, there was a time when tobacco was a legal tender in old Virginia, even church dues being payable and receivable in that commodity. Now comes a report that the erators of some of the mountain regions of the state are denouncing the strate are denouncing the strategies are denouncing the strategi gions of the state are denouncing the

another rebellion and secession from the Union unless the Shylocks of Wall street consent to the restoration of tobacco to its rightful place in the currency of the world. We may laugh at these ignorant Virginians as much as we like, but what is the difference between their idea of finance and that of Jones of Nevada?

You can't stop consequences, so don't start them. As Senator Cullom said in an entirely different connection, "It is like standing on the front steps during a blizzard and asking the wind to stop blowing."
