"Wilt thou?" seems to be the stand ard question asked of the Democratic leaders, and to a man they wilt.

What New York mistook for the roar of Niagara over the 'phone, was the McKinley boom rolling eastward.

The independent voter will be very of all the Democrats in the country. if, as now seems inevitable, the Chica- Druggist, go convention resolves itself into a free sliver side show. And the regular tacle of a normal-sized, respectable the piano or organ to grand opera. corpse in November.

world, probably, can these Spaniards Rothing. Chas. buy good merchandise on as favorable terms as in this country, and it is not likely that their loyalty to their mother land could long stand the strain of and the woman who never makes a such heavy financial losses as would mistake. result from the foolish course contem-

FREE COINAGE AND TERRIBLE CONTRACTION.

If a president and a congress pledged to enact a free coinage law were to be elected in November next there would be no gold in the treasury and none in the property of the p to enact a free coinage law were to be elected in November next there would be no gold in the treasury and none in circulation-would be practically "de- ride. monetized," by the coming cheap silver dollar.

Before November, 1896, had closed the purchasing power of the rest of the currency in the United States would have shrunk one-half. The 426 millions of silver dollars which have been coined and which circulate chiefly in the form of silver certificates would be worth only half their face. So with the 221 millions of national bank notes. which would be redeemed only in 50cent silver dollars. So with the 136 awaken for what is beautiful, by so millions of "Sherman" treasury notes. much deeper will be our sympathy The money value of the 70 millions of for that which is most beautiful, the subsidiary small change sliver in circu- human soul.-Lowell. lation would be cut in two in the middie. The 346 millions of greenback le-gal tenders, no longer redeemable in gold dollars, would shrink one-half in bies, their purchasing power, or ability to transact business in buying and seiling property and labor.

In less than thirty days 600 millions of gold would disappear from the coun-606 millions of gold value. Thus there of accepting or deciming an invitation. would be a currency contraction of 70 per cent, coupled with an aimost incal ROYAL Baking Powder culable destruction of values. The deposits in the savings banks of the wage classes are 1,800 millions. In national banks there are 1,700 millions of deposits. In state and private banks and loan and trust companies there are 1,300 millions of deposits; and in building and loan associations 450 millions. The total of these deposits amounts to 4,000 millions in value. They are owned by millions of people, and half of these Osseo, Mich., after suffering excruciating deposits belong to the working, tolling classes.

value of the currency and deposits of is used than all others combined. Chas. the nation has not been discussed by the free silver, cheap money silverite papers, who are afraid to talk about a lovely finish to a young girl's bed it. They dodge it and ignore it. They room. cannot explain it away. They blow and gas about everything else.

Secretary Carlisle had much to say on the subject in his Chicago speech; Pitcher's Castoria. but neither Altgeld nor any free silver advocate, orator, or newspaper has met this one fatal objection to their crazy scheme to change the money standard of the nation from 100-cent dollars to

50-cent dollars by an act of congress. They all say that the country is suffering because it has not money enough children, and I consider it the quickest now. They all admit that free coinage I have ever used. Chas. Rogers. cannot help but drive out the gold. Then they go on to claim that silver enough will flow in to take its place. They say there will be billions of sliver

In circulation in the "course of time."

But they have nothing to say as to what will be taking place during the contraction period; when the currency will associate the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place during the contraction period; when the currency will be taking place and the contraction period; when the currency will be taking place and the contraction period; when the currency will be taking place and the contraction period; when the currency will be taking place and the contraction period; when the currency will be taking place and the contraction period; when the currency will be taking the contraction period; when the currency will be taking the contraction period; when the currency will be taking the contraction period; when the currency will be taking the currency will be taking the contraction period; when the currency will be taking the contraction period; which is the currency will be taking the currency will b in circulation in the "course of time." will amount to 600 millions in gold value and purchasing power instead of 1,290 millions. If congress should a novelty in summer footwear. proceed to issue a billion greenbacks to be redeemed some time in silver when

would disappear from directation and become a commodity of export to pay for our national imports. And congress would be quickly called on to issue a few more billions of irredeemable greenbacks, which would daily decline in purchasing power. And all this is the certain outcome of the crazy scheme of abolishing the good money standard and substituting the had money silver

Notice is hereby given that on Monday,
the 25th day of Jupe. A. D. 1898, at the
hour of 19 o'clock a. m. of said day, in
front of and at the court house door, in
the city of Astoria, in said county sind
state, I shall proceed to sell the abovedescribed real estate at public auction
to the highest bidder for cash in United
States gold coin at time of sale, subject
to redemption, to satisfy the warrant,
costs and all accruing costs.
(Signed.) JAMES W. HARE,
Sheriff of Clatsop County and ex-Officio
Tax Collector.
