This had the effect of causing the members of the bimetallic organization to feel that possibly their apprehensions were unfounded and to conclude that probably there will be no effort at snap judgment. They will, however, make their call and present a statement of the action of the bimetallie committee and ask that the committee be allowed to suggest a tempo-

rary presiding officer. If this request is not granted they will report to their full committee and the full committee will proceed to select a man for the place and prepare for his election at the outset of the convention in the face of a contrary

nomination by the national committee The silver men are very determined upon the point of not being thwarted in this matter and are giving their attention to it. They will tell the national committee very plainly that the only way to avoid a clash in the convention and for the national committee to avoid being repudiated is for them to accede to the wishes of the silver men in this to be made apparent from the beginning that it is to be a silver convention, port this measure. Its contents have and that this can be demonstrated in no way so clearly as in the selection of the temporary presiding officer.

The silver men have given very little shall be selected to preside, but speculation turns more freely to Senator Harris, of Tennessee.

DEAD OR ALIVE.

Fifty-nine Men Imprisoned in a Coal

Mine. Wilkesbarre, Pa., June 30.-There are fifty-nine men, living or dead, impris-

oned in the depths of the doomed mine

This is the official number and there' is no reason to think it is incorrect. The cave-in at the Janesville some years ago offers a precedent for the there is a possibility of any of the men continue the work of attempted rescue.

being alive, they feel it their duty to American Volunteers. Republicans will have no difficulty in dation of this life saving crew, for a In the Janesville cave-in six men were imprisoned in the breast of the mine for nineteen days. On the 19th day tives and that McKinley's election is lng at anchor just inside of the break- they were reached. Five men were Thompson yesterday morning. dead and one was alive.
