New Astoria

located at the terminus of the Astoria and Columbia River Railroad, at the mouth of the Columbia River.

It fronts on the deep water of the Columbia River Harbor, and being perfectly protected from wind and seas, affords the very best docks for ships on this bay: therefore, it is the exact spot for the seaport of the great Northwest.

These facts were recognized by the Astoria & Columbia River Railroad Co. when

New Astoria Was Selected as the Starting Point for their Railroad and the Location for the Terminals.

> New Astoria is platted upon a plane high enough for perfect drainage, and well protected by a high ridge behind it.
