The lack of accommodations for bathers at the various resorts on Clatsop does not meem to deter those who enjoy surf riding. Each day the number cho go in for a good swim increases and at times the few bath houses and tents are crowded.

which lasted from 920 this morning until almost & o'clock this evening, was marked by scenes of turbulence and noisy excitement which several times bordered on actual riot, and which almost precipitated personal collisions. One fist fight did occur, a delegate was ejected, and a West Virginia delegate, inflamed by the action of the convention, walked sullerly out of the hall.

The storm center, as on previous, days was in the Texas delegation. But the really dramatic features of this wild session, were enacted behind the scenes.
