Astoria Land & Investment Co. 462... Bond Street... Astoria, Or.

New Astoria...

Is located at the terminus of the Astoria and Columbia River Railroad, at the mouth of the Columbia River. It fronts on the deep water of the Columbia River Harbor, and being perfectly protected from wind and seas, affords the very best docks for ships on this bay; therefore, it is the exact spot for the seaport of the great Northwest. These facts were recognized by the Astoria & Columbia River Railroad Co. when

New Astoria Was Selected as the Starting Point for their Railroad and the Location for the Terminals.

New Astoria is platted upon a plane high enough for perfect drainage, and well protected by a high ridge behind it. Its streets and avenues are wide, and, in fact, it is laid out on modern plans. Extensive street improvements are now under way.

An office has been opened by the proprietors one door east of the Crosby hardware store. Call, to show the merits of this property, and invest.

At the annual business meeting of the Baptist church Wednesday night this branch of the "Baptist Navy" (as the denomination was designated by a speaker at Gladstone Park, Chautauque) again chose Rev. L. J. Trumbull as their admiral for the coming year, thus breaking their record, it being his third year.

Mr. Kopp says that his main brew-house at the new brewery will probably have the roof on in two weeks' time. The brick walls are up to the third story, above which the fourth floor will consist of frame work covering half the building. Ten thousand dollars' worth of machinery will be shipped from Chicago in about two weeks. This includes the big brew kettle and other apparatus.

A decided change for the better is noticeable amongst business men of the city. While everybody has been hard up and money has not become very much easier just yet, still all are hopeful and there is a general feeling that better times are at hand. When those who have cause to have the blues exhibit cheerfulness and keep a stiff upper lip, half the battle of bringing back good times has been won.

For the first time in many seasons the canneries during the last few days have been obliged to limit their boats and part of the time some of them have been able to take no fish at all. One trap in one haul took in five tons of salmon on Desdemona sands the other day. In the early part of the season steamers were bringing the surplus fish from the up-river canneries, while now the decks of every out-going boat are piled with the surplus fish from Astoria canneries.

It was rumored yesterday that during the blockade of fish at the canneries, many salmon were offered at one cent per pound. A visitor in the city yesterday remarked that it seemed a shame that at such times as these

more salmon could not be salted, as it brings a ready sale in many parts of the country. It was explained, however, that while it was true that during the past day or two many fish have been wasted, yet the present run of salmon is one the like of which has not been seen here in fifteen years.

About the only cases now in the police court are those of drunkenness, fighting and disorderly conduct, the fines for which run from five to ten dollars. A wag suggested yesterday that Judge Nelson supply himself with a book of certificates or coupons which might be issued at wholesale rates to parties in the habit of indulging in such escapades, and that when a man was arrested, instead of going through with the trouble and formality of a trial, the only thing necessary to be done would be for the police officer to collect a coupon from the offender and let him go. The city would get a great deal of money in advance which might otherwise be spent for drink, and the man himself would not have so much money to waste.

Mr. D. McMillan, with Berry Brothers, Detroit, Michigan, is spending a day or two in this part of his territory.

Mr. Wm. Whelan, who has been spending a few days in and about Astoria, reports that business in his line is good, and that he anticipates a good fall trade.

Judge J. Q. A. Howley, Mrs. Dowdy, Mrs. Swift, leave this morning for St. Helena, California, where the ladies will visit for a time, the judge returning to Astoria in a few days.

Mr. Eugene Samuels, the insurance man, says that he is writing a number of policies in the city and thinks that it is a good indication of returning confidence when people can again take out life insurance.

The Columbia this morning will have a large passenger list for the Bay City. F. Bellmar and daughter Ida, who have been visiting Mr. and Mrs. Troyer, Mrs. Gillespie, who has been visiting Captain R. E. Howes, the Misses Foad and brother, Mrs. Hogan and two children, and Miss E. A. Hudson, will be among the passengers from Astoria.

Misses A. and C. Gavigan, J. Morrison, wife and family, Miss Rivears, Chas. King and wife, Portland; F. J. Carman, R. A. Crothers, Tacoma; G. A. Seaborg, R. A. Hawkins, Ilwaco; Col. John Adair, Sunnyside; J. M. Tillotson, New York; Miss Gillespie, South Bend; Major Kinzie, Miss Kinzie, Robert Hunter and Dave Kinzie, Fort Canby, were registered at the Occident yesterday.

Major Kenzie, accompanied by his son and daughter, who have resided at Fort Canby for the past year, leave on the steamship Columbia this morning for their home in San Francisco. Major Kenzie's son is a great football player, and his absence from the Ilwaco team yesterday probably accounts for its defeat. He has made many warm friends here and at Ilwaco, and his departure is regretted.

Use Webfoot Corn Cure. No cure no pay. For sale at Estes-Conn Drug Store.

THE FOOTBALL LEAGUE. Appearances Indicate South Bend Will Win the Trophy.

Yesterday the third game in the Oregon-Washington Football League was played, the South Bends and Ilwacos contesting. Reports received state that the game was fast and furious from start to finish. In the first half each team made two goals, but in the last half South Bend put the pigskins between the sticks five times. The Ilwacos went to pieces and never scored. So South Bend, by a score of 7

to 2, has tied Ilwaco, both teams having won two games, one of the South Bends' victims being a forfeit from Astoria. If matters can be judged by yesterday's games, South Bend will win the cup.

There are several games yet to play and it has been suggested that another Astoria team enter the tournament. The high school eleven plays good ball and the young gentlemen should communicate with the League officials with a view to entering the contest. The trophy is the gift of an Astoria gentleman, Mr. George Bartley, and it looks like a lack of spirit to see no team entered from the donor's town. In the interest of sport, another team should be entered from Astoria.
