## MR. COCHRAN EXPLAINS IT

His Views in Regard to a Third  
Ticket, Should One Be  
Named.

### PREFERS A DIRECT METHOD

Contemplated Merely the Assembling of a  
Convention to Adopt a Genuinely  
Democratic Platform and Nomi-  
nate McKinley Electors.

New York, August 3.—Hon. Bourke  
Cochran was asked today if he would  
support a third ticket if one was nam-  
ed, notwithstanding the views expres-  
sed in his interview published yester-  
day. He said:  
"If a convention be held at which  
all Democrats can be represented, who  
believing that the party was betrayed  
at Chicago are determined that it  
shall not perish for the lack of effi-  
cient organization, and if a free inter-  
change of opinion be had among its  
members, I should be strongly inclin-  
ed to accept its decision.  
"I think it more important that the  
Democratic opponents of Bryan should  
be united in one movement than that  
any particular form of co-operation  
should be adopted. It is assumed  
that the plan suggested by me contem-  
plated merely the assembling of a  
convention which shall adopt a genu-  
inely Democratic platform, nominate  
McKinley electors and stop there.  
When I said that the Democrats meet-  
ing in such a convention as I suggest-  
ed, while nominating McKinley electors,  
would provide for a really Demo-  
cratic opposition to the McKinley ad-  
ministration during the period of its  
existence, I thought it would be clear  
that I meant a substantial and effec-  
tive opposition. Every Democrat who  
refuses to support the Chicago plat-  
form regards the defeat of the absurd  
propositions which Bryan stands as  
the paramount issue of the campaign,  
and since the simplest and most ef-  
fective method of accomplishing that  
result is to nominate McKinley electors,  
I believe in following that course.  
In a contest of this character I be-  
lieve the people would prefer a direct  
to an indirect method of expressing  
their abhorrence of communistic popu-  
lism and anarchy. With Bryan and  
his socialist program disposed of the  
opposition to McKinley and McKinley-  
ism would become the duty of the  
Democratic party."

### AT THE HEADQUARTERS.

Washington, August 3.—Chairman  
Jones, of the Democratic national  
committee, was busy at spare mo-  
ments with a mass of mail. One of  
the members connected with the com-  
mittee says the correspondence is un-  
precedented. One veteran said that  
in a service of twenty-four years he  
had never seen such a rush and he  
claimed that the letters show consid-  
erable deflection due to silver.  
At Republican headquarters a large  
working force is busy. It is stated that  
public interest in politics as indicated  
by the extent of the mail is unpre-  
cedented. The most varied suggestions  
are offered. Many campaign poems  
and songs with music are offered. A  
letter received from Louisiana assures  
the committee there are strong hopes  
of carrying that state for McKinley.  
At the silver headquarters a number  
of interesting letters were received  
today. One from the mayor of Lan-  
crosse asked for a supply of German  
and Scandinavian literature and ad-  
ded that the silver movement was mak-  
ing rapid progress in that locality.  
Senator Gorman, of Maryland, today  
said: "In the present campaign I will  
aid Senator Jones in every way pos-  
sible, but under no circumstances  
would I assume the duties of chairman

### CAPTAIN HARRIS DEAD.

At Ilwaco Sunday afternoon Cap-  
tain A. T. Harris, formerly of the Fort  
Canby Life Saving Crew, died of in-  
flammation of the bowels, after an  
illness of only four days. His death  
was a shock to his many friends on  
this coast. His life was one of usef-  
fulness and while stationed at Fort  
Canby he was the means of saving many  
lives. The funeral will take place  
at Fort Canby today.

### IN ALABAMA.

Montgomery, Ala., August 3.—The  
returns from the state elections are  
just beginning to come in. The re-  
ports so far show Democratic gains.  
By a careful estimate at 10 p. m.,  
from reports received so far, Johnston  
has carried forty-eight counties and  
Goodwin fourteen, with four in doubt.  
Johnston's plurality is apparently  
about 50,000.

### GOLD DELEGATES APPOINTED.

New Haven, August 3.—A meeting  
of the prominent gold standard Dem-  
ocrats of Connecticut, each congres-  
sional district being represented, was  
held in this city today for the pur-  
pose of appointing delegates to the  
gold standard Democratic meeting at  
Indianapolis August 7, and to discuss  
the advisability of holding holding a  
gold standard convention.

Sea Coast Defenses.

### FIFTY LIVES LOST.

Bombay, August 3.—A bad accident  
resulting in the loss of fifty lives oc-  
curred today on the railway between  
this city and Delhi. The train was  
running at good speed, when it was  
thrown from the rail and a number of  
the coaches wrecked. Most of the killed  
were natives.

### ENGLISH CYCLIST.

London, August 3.—At the Wood-  
green Cycle meeting today, the Eng-  
lishman, J. Platts-Betts, with a stand-  
ing start, did his mile in 1:45, thus  
beating by two and one-fifth seconds  
the world's record held by J. S. John-  
son, the American.

### HE WON'T TALK.

Lincoln, August 3.—Mr. Bryan to-  
night declined to be interviewed on  
the rumor that he would decline the  
Populist nomination. "I have nothing  
to add," he said, "to the statement  
which I gave out at the close of the  
convention."

### NOTICE TO MINE OWNERS.

New York, August 3.—The head-  
quarters of the treasurer of the Demo-  
cratic national committee and the treasurer  
of the silver party national committee  
opened for business at Bartholdi today.  
W. P. St. John was in charge.

### PRINT WORKS START UP.

Providence, R. I., August 3.—Allen's  
Print Works started up today after a  
three weeks' shut down. The concern  
employs 300 men.

### WORK RESUMED.

Niles, Ohio, August 3.—All the roll-  
ing mills of this place will resume  
work at once, giving employment to  
about 200 men.

### FIRE DEPARTMENT NOTES.

Engine Company No. 1 elected as  
delegates to the Oregon State Fire-  
men's Convention, which will be held  
in their parlors during regatta week.  
J. E. Gratke, Jens Hansen and Ed.  
Reed. The rooms will be handsomely  
decorated for the occasion, and a  
banquet will be given in the Hook and  
Ladder hall adjoining.

### PREPARING THE DIVISION.

Hutchinson, Kan., August 3.—The  
Democratic leaders have already be-  
gan gathering for the state conven-  
tion tomorrow, there being absolutely  
no talk regarding the personnel of the  
state ticket. Interest is completely  
absorbed in the probable action of the  
joint committee which will be ap-  
pointed by the Democratic and Popu-  
list conventions to arrange for fu-  
sion.

## CHINA'S DEMANDS FROM ENGLAND

Li Hung Chang Wants Concessions  
Because of the Fall of  
Silver.

### ENGLAND HAD THE POWER

To Prevent the War in the Orient, and as an  
Evidence of Sympathy the Prime Min-  
ister Asks Permission to Add  
to the Duties.

London, August 3.—The Times this  
morning has an article regarding Li  
Hung Chang's views and the object of  
his mission to England.  
The Chinese statesman considers, the  
article says, that England could, if  
she had chosen, have prevented Chi-  
na's disastrous war with Japan. He  
therefore reproaches England with  
waning friendship and contends that  
China was taken by surprise when  
entirely unprepared for war.  
He now desires, as an evidence of  
sympathy, that England should con-  
cede to China the right to make a  
substantial addition to the duties  
charged under the treaty between  
them upon goods entering Chinese  
ports. The fall of silver, Li Hung  
Chang contends, has rendered the re-  
venue derived from these duties of half  
its original value. Li Hung Chang  
hints, according to the Times' article,  
that this increase in China's revenues  
would be devoted to the purchase of  
warlike stores in Europe.

### OREGON STAGE HELD UP.

Oregon City, August 3.—The stage  
leaving here for Willhoit Springs was  
held up by two masked men at 4  
o'clock this afternoon ten miles out.  
The passengers, Mr. Hildinger, wife  
and daughter, of Portland, and a  
Chinaman, were robbed of all their  
valuables. Two horses were shot be-  
fore the stage stopped. The Molala  
mail carrier passed the scene during  
the holdup, and was shot at but not  
injured. This is the third hold-up in  
two years, all occurring on Molala,  
within a few hundred yards of each  
other. A posse was organized and  
started in pursuit. The surround-  
ing country is thickly settled.

### STONE HAS THE HONOR.

Jefferson City, Mo., August 3.—Sen-  
ator White, of California, has delegat-  
ed to Gov. Stone, of Missouri, the  
honor of notifying W. J. Bryan of his  
nomination for president of the United  
States at Madison Square Garden next  
Tuesday. Gov. Stone received a tele-  
gram from Senator White today stat-  
ing it would be impossible for him  
to make the speech and asking the  
governor to accept the honor. This he  
did. Gov. Stone said his notification  
speech would include both Bryan and  
Sewall.

### HANNA BUSY ORGANIZING.

New York, August 3.—Mark Hanna,  
chairman of the Republican national  
campaign committee, will leave for Chi-  
cago Wednesday or Thursday. Before  
his departure there will be a meeting  
of the members of the executive com-  
mittee, including N. B. Cott, of West  
Virginia. Gen. Osborn, of Boston,  
probably J. H. Manley, of Maine, and  
vice-president nominee Hobart to com-  
plete the plans of the campaign and to  
lay out the work of the several mem-  
bers of the committee.

state ticket. Interest is completely  
absorbed in the probable action of the
