Declaration of Principles OF THE REPUBLICAN PARTY.

The Financial Issue.

"The Republican party is unresorv-

The Republicans of the United States, j can policy of discriminating duties for | complete system of harbor and seaassembled by their representatives in the up-building of our merchant marine coast defenses.

National Convention, appealing for the and the protection of our shipping in popular and historical justification of the foreign carrying trude, so that their claims to the matchless achieve- American ships-the product of Amerments of thirty years of Republican Ican labor, employed in American shiprule, earnestly and confidently address yards, sailing under the Stars and themselves to the awakened intellis Stripes, and manned, officered and gence, experience and conscience of owned by Americans-may regain the their countrymen in the following dec- carrying of our foreign commerce.

laration of facts and principles: For the first time since the Civil War the American people have witnessed the calamitous consequences of full and unrestrained Democratic control of the Government. It has been edly for sound money. It caused the a record of unparalled incapacity, disenactment of the law providing for the honor and disaster. In administrative resumption of specie payments in 1879; management it has ruthlessly sacrificsince then every dollar has been as ed indispensible revenue, entailed an unceasing deficit, eked out ordinary urrent expenses with borrowed money, piled up the public debt by \$262,000,000 in time of peace, forced an adverse balance of trade, to a perpetual menace hanging over the redemption fund. pawned American credit to alien syndicates and reversed all the measures and results of successful Republican rule. In the broad effect of its policy it has precipitated panle, blighted industry and trade with prolonged de-

pression, closed factories, reduced work and wages, halted enterprise and cripplist American production while stlinulating foreign production for the Amerfenn market. Every consideration of mblie safety and individual interest standard of the most enlightened naiemands that the government shall be tions of the earth."

rescued from the hands of those who have shown themselves incapable of conducting it without disaster at home and dishenor abroad, and shall be restored to the party which for thirty years administered it with unequaled success and prosperity.
