DOG WAS CAPTAIN AND CREW. Last Living Thing on the Deserted Bark Ernst Rescued by the

Mannheim.

The sequel to that story which was told last Sunday when the steamship Bourgogne, of the French line, arrived at this port with the crew of of the wrecked German bark Ernst on board, was had yesterday when the German oil tank steamship Mannheim reached here, bearing with her the blg Newfoundaind, which had been rescued from the Ernst a day after its cres had abandoned that vessel.

As has been told in the Heriad, the

bark was abandoned when waves were

beating high. It was as much as the men could do to save themselves, and terday with a large lot of salmon from the dog was left to his fate. Rescuers, up-river canneries for the Sutherland- as well as rescued, thought the wreck shire. The Baker will return to Stella was on the point of sinking at the time, this morning, where she will meet the but apparently it was in no immediate tug Wallowa and both will arrive here danger of doing so, as it was still wal-Sunday afternoon with the big raft in lowing, with decks high above water, when the Mannheim sighted it on the following day. The distress signal There is trouble brewing on the which had attracted the Frenchman Steamer State of California. Saturday was still flying and Captain Ockelmann night last one of the waiters slashed hove his vessel to a short distance from the assistant chief steward with a the wreck. There was no sign of life carving knife and on Sunday night on board except the big Newfoundome of the firemen got Chief Engineer land, which put its paws on the rail-Kress on the wharf and attempted to ing and barked frantically.
