MATTERS MARINE

Movements of Vessels at Home and Elsewhere.

The British ship Annesley finished discharging tin yesterday at the bonded warehouse, and left up river in tow of the Baker.

The steamer Altmore arrived in, seventeen days from Hongkong, yesterday. She made the passage direct, and has a full cargo of tea.

The T. C. Walker and Mary Garratt did each other some damage in the San Joaquin river last Thursday night. The Garratt was on her way to San Francisco and the Walker signalled her to come alongside.

"Hoodlum Harry" distinguished himself on Jackson street wharf, last Thursday night. He saved his enemy, "Bum" Flynn, from drowning, and added to the coals of fire by drying and feeding him.

The halibut schooners Freia and Norman Lund did a rushing business yesterday. The fish were only 5 cents a pound, and over 3500 pounds were sold during the day.

The number of vessels built in the United States during the fiscal year ending June 30th was 287 sail and 222 steam craft, making a total of 509 vessels, the gross tonnage of which amounts to 294,078.55 tons.

Yesterday morning the barkentine S. N. Castle sailed for Honolulu. Captain Hubbard took a well-bred pointer to sea with him, but while the vessel is now well out to sea, the dog is back ashore.

REWARD OF MERIT.

It is said that Herman Wise sold more men's suits last week than had ever been sold in Astoria by any store during one week; his \$11.50 special suit sale is said to be the reason of it.

Men would go from one store to another to price suits and then buy one of Wise's now famous \$11.50 suits.

Good judges say that Wise's \$11.50 suits are equal to \$15 and \$17.50 suits sold elsewhere. These suits are lined well, sewed with silk, they fit well and Mr. Wise keeps all suits bought at his fine store in repair for one year, besides Herman Wise has always shown the most enterprise, and Astorians appreciate enterprising people, and it is well that they do, else enterprise would be at a discount and gratitude a by-word.

THE DISCOVERY SAVED HIS LIFE.

Mr. G. Callouette, Druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Chas. Rogers' Drug Store.

The black skirt and shirtwaist combination is all very nice, unless the skirt is a heavy one, when it becomes as uncomfortable an arrangement as you could imagine.

When people are obliged to take medicine they want that it shall give quick relief and not add discomfort to their sufferings. Three reasons why people who suffer with Constipation and Biliousness should take Simmons' Liver Regulator: "It is Better than Pills, It does not weaken but strengthens and refreshes the whole system."—J. R. Highland, Monroe, Ia.

Returning ocean voyagers are enthusiastic over grilled bones as a delightful supper dish, their acquaintance with this epicurean bit having been made on shipboard.

If you have ever seen a little child in the agony of summer complaint, you can realize the danger of the trouble and appreciate the value of instantaneous relief always afforded by DeWitt's Colic and Cholera Cure. For dysentery and diarrhoea it is a reliable remedy. We could not afford to recommend this as a cure unless it were a cure. Chas. Rogers, Druggist.

They say that women who drink much beer have large feet. We cannot vouch for this, but we would think that they would be more apt to have large heads.

Theories of cure may be discussed at length by physicians, but the sufferers want quick relief; and One Minute Cough Cure will give it to them. A safe cure for children. It is "the old harmless remedy that produces immediate results." Chas. Rogers, druggist.

There's more clothing destroyed by poor soap than by actual wear. "Hot Cake" soap contains no free alkali and will not injure the finest lace. Try it and notice the difference in quality. Ross, Higgins & Co.

During these 18 months thousands of travelers have patronized it and by so doing have not only saved much valuable time but have gained new ideas of how a railroad should be run. They have learned, among other things, that Burlington trains are always on time; that the Burlington's track is incomparably superior to any other in the West; that the phrase Comfort, Speed and Safety means something on the Burlington.
