# ASTORIA'S GREAT

Through the Heart of the City.

THE ENTHUSIASM RUNS HIGH

First Astorian to Ride Over the Bridge Was J. C. Trullinger and He Rode on the Old Original Lugine

Yesterday marked an epoch in Astoria's history which was celebrated informally by the leading citizens and railroad officials. Whistles were blown, bells rung, bombs fired, when Engine No. 15 passeed up the newly laid track the old Heashore road, and was brought out from Pittsburg by Engineer Waton, who is now in charge of her. Fireman E. L. Eberman stood on the footboard, and Conductor J. M. Carver and Brakeman Tom Grider were in charge

Sunday under the auspices of the Asnorning, and excursion train was run to come to the city. from below Kinney's cannery to Seaered to see the train off. Patriotism oughly appreciated. ran high. The engine shricked, and the trainload of humanity which crossed Young's bay presaged the onward

notwithstanding the cloudy weather in the city, the sun shone and everythink was bright and cheery. Gearbart and Yesterday afternoon the greatest

event to Astoria's history created the enthusiasm which it deserved. Everyody felt happy in the realization that event which many had predicted and we had a very pleasant visit. The products has always followed low tariff bed, stone dead. Three letters were then would never take place. While standing there a photograph was taken of neck were in the feet, and the Ben
