the Burlington Route's New Short Line to the East and South was opened for business. During these 18 months thousands of travelers

have patronized it and

by so doing have not only saved much valuable time but have gained new ideas of how a railroad should be run. They have learned. among other things, that Burlington trains are always on time; that the Burlington's track is in-

Speed and Safety means something on the Burlington. Omaha, Kansas City, St. Louis, Chicago. Write for information about rates and trains.
