barkentine Northwest down from Kal- en-born right of equality. She h

the evening

Captain Williams, of the Meinwen went to Portland tast night to look after his charter interests.

A couple of days ago when a custom advance of the North side, home broker saw men going to pay Magnificent sites for rest their duties in gold, he made an offer to them, which was accepted, to take their gold and give them silver certifiand bay, summy and shel- cates in exchange, with which they paid their duties at the cashier's window. The cashier was mad, not being used to thumbing over and counting sliver certificates, greenbacks or other paper money to any great extent, and raised a kick. The brokers combined against the kick and yesterday of the \$22,000 odd paid in duties, nearly all was paid in silver certificates, and it look so long to count it up and certify to its correctness that Cashier Chappell and Mr. Bush in the naval office had to make considerable overtime before the expressman carted off the treasure to the sub-treasury San Francisco Commercial News.

Consul General McIver; of Kanaga-Japanese silver yen has been taken as of imports \$65,921,895. Of this amount the United States is credited with \$27.-1 987 British and 371 German. Forty- would die, without whom she would cossels were engaged in the coastwise rehaptized with her own ideas of equaltrade of Japan, as against 761 British ity. Be just as true, just as sober, just 104 French and 181 German. Japan ex- as honest, just as virtuous as herself. ported \$1,423,895 of gold and \$12,459,970 Realizing that one person is of no more of silver builden. She imported builden to the value of \$525,255 in gold, \$2,470,568

A TWISTER A twister in twisting May twist him a twist, For in twisting a twist Three twists make a twist: But If one of the twists Untwists from the twist, The twist untwisting Untwists the twist. That is, when it's twisted with any other twine than MARSHALL'S.

Address of Mrs. England Before Oregon Press Association.

(Concluded.) One of the triumphs that he will ord will be the successful strug through which woman has passed gain equal recognition with man, th she might indeed be the real helpm MATTERS MARINE God intended her to be-the practi business woman of the twentieth co tury, the new woman, with nobler air with all the wealth of her past exper eners, with new aspirations. She w locs not want to be deified as the Ge dess of Liberty, of Justice, withou even the privilege of having a voice one law that governs herself, her proerty, or her children. In the twentie The steamer Queen will bring the century she is invested with her hea more exalted ideas and will require new man. She will, perhaps, do as s The Columbias yesterday made has done before, proceed to invest h to Tillam ok Rock and returned with new habiliments, re-idealize hi but he will have to come nearer I own standard. She will be thorough settled, and know "where she is a in the twentleth century. As to . rights there can be no question. As whether man will be improved, or man be degenerated, remains to proven. There will be more equal and justice, whether it will me greater righteousness or not. T standard will have become the sai for both. Woman is beginning realize that to stay at home and tal to her knees in prayer will not alwaadvance righteousness, any more tha beying that other Scriptural injunction When you are smitten on one ches turn the other also" will apply to mo ern times. At least it will not do fo the twentieth century. We must mee the world with its own weapons, no only on the social and mental battle fields, but perhaps on the moral as we -but surely upon the political. It is votes that count. We may pray un- ery one of them-laboring and teaching til we are black in the face, but for as did the gentle Nazarine twenty ce practical purposes we must stand up turies ago. He whose foundation pri and do battle with the ballot in our ciples was not mine, not thine, hands. We must fight with the soul taught his disciples to have all thin an, has forwarded to the state depart- of Susan B. Authony animating each in co ment tables showing the foreign trade individual soul. In the twentieth cenof Japan for 1896. In these tables the tury woman no longer allows the lead- teous dreams may come-not mers ng question of her life to be, "Is my gilded dreams-but they shall be t equivalent to 51 cents, this being its hat on straight?" but how best shall I twentieth century's giorious realities mean value during the year. The to- aid this nation, or help to settle finan- fulfillment of that which the nineteen tal value of exports was \$68,993,662, and clai questions that stir the nation from century promised. To-day the eyes a center to circumference, and whether hearts of the world are turning to the or not shall I accept the nomination great Northwest coast, Much of t

consequence, or better, than another, only as measured by the truth and virters, a woman leads the way. Symbol Truth and immortal Love. of what shall be. That a woman's form shall henceforth lead the way for the ship of state over the troubled waters of the dark political sea, and perhaps her hand shall be at the helm who knows. Heretofore man has at

empted to guide its course, but the oor old battered craft is floating helpess on the seething waters of political incertainty, doubt and failure. The twentieth century journalist will const of the greatest seaport of the Northwest, it being the terminus of many ratiroads-Astoria, which like a beautiful queen, sits enthroned upon her its broad bosom, and protecting in its harbors, the snowy sails of all nations

of the Earth; Astoria, she who has

vercome all obstacles, until she shines shire is likely to be the worst known by her own light and splendor, the brilliant star of the sea. There is a legend that when Adam If dult, spiritless and stupid; if your and Eve were turned out of Paradise blood is thick and sluggish; if your an angel smashed the gates, and the appetite is capricious and uncertain. fragments, flying all over the earth, are the precious stones scattered over been picked up by the various philosophers and reformers of the world. Each claims that his own fragment alone reflects the light of heaven, forgetting irections remode fareand hose believes the most construct from here taken mercary, folding potasts, and still have aches and pains. Minous Patches in month, for a claims against the estate are requested to present them to me at the law office of the best, it is the Secondary H. John Polisis we guarantee to cure. We substitute most office and continuous part of the best, it is the secondary H. John Polisis we guarantee to cure. We substitute most office and to present them to me at the law office of Frank J. Taylor, at Astoria, Oregon, within six-months from this date. All persons having the part of the best for the most contained by indigestion and to present them to me at the law office of Frank J.
