Our Handy Wagon...

Combines all the features of the child's plain wagon and a velocipede, and, all things considered, costs the consumer less

than either. So desirable, convenient and satisfacory has it proven, that, as a ready "seller," it has no equal. We take a special pride, too, in delivering the same promptly and in faultless cond-tion to the trade.

The Ideal Summer Resort...

Should offer galety for the gay, rest for the weary, a beautiful country for the nature lover, a pleasant home and genial climate for all. These and many other attractions may be found at the Gearhart, within easy reach of Astoria. For additional information, ad-

papers, and can only draw the conclu-

sion that they voice the sentiments of

all of us. Take, for instance, the one

charge made recently that the entire

fair and that Mr. Hammond, in colin-

sion with Astoria property owners, was

and others of us here to unload wildcat property and town lots upon the suckers who might be induced to come ere. This is a simple libel upon every citizen of Astoria as well as upon the railroad company. Those at a distance of knowing good property from bad, and on the face of it might be led to believe more or less in the statements made. The effect of such statements cannot fall to depreciate all property in the city, and brand the whole place as unredeemably bad. In the natural growth of the city, property must and will be sold, and that property which is well located will no doubt find a ready market. But many who might take the trouble to make personal investigations will be deterred from so-
