13: Third street.

intelligence, since it is commonly accepted as true that the average man filzed order. can acquire a fair education in four

The Byan press is now printing affi-

vote for Bryan ought to have written across his forehead in lines of blood duty of every American citizen to rise vaults, and is being held as a safeand work from now on until November election of Bryan and the carrying out 2 for McKinley, the advance agent of the project of the silver coinage prosperity, whose election will bring good times, plenty of employment, bet-

influence a choice of his successor, al- together for the cause of right. though he also has undiminished rights as a private citizen, if he deems it for NOTHING WRECKS THE CONSTI-

the public good to exercise them. In

canventions were held, would now in- family use, volve a naked repudiation of solemn pledges many times repeated, since free coinage would not now be possible without dishonor of the nation, repu- health or is disappointed in love. diation of many pledges made in borrowing gold, impairment of private and commercial contracts, and spoliation of one section and one class for the benefit of another. But the Chicago convention went much farther, and in making war on the national banks, demanding unlimited issues of paper by govern ment and by state banks, denouncing the enforcement of United States laws the desire for sleep is almost as over by the executive, and threatening reconstruction of the supreme court for partisan ends, proposed a revolution destructive of all rights and all prop-

The deliberate hostility of the administration to the action of the party it officially represents, is therefore justifled, not merely by fidelity to the principles and convictions of that purty, but by the far higher obligation of duty to the nation. Charged with the enforcement of law, the officials of the government would be false to their sworn duty if they should countenance an organized movement to defeat and prevent that enforcement, or to deprive the judiciary of its constitutional pow-

er independently to interpret the law Sworn to uphold the honor and welfare of the nation, and particularly bound by pledges officially made in order to obtain gold with which to protect the nation's credit, this administration would have been dishenered and de based if it had failed to resist to the utmost an attempt to set those pledges aside, and to brand the nation as gull Sent by mail, per month50 back the kind of money borrowed .45 Hence there was not only ample just Scation for the unprecedented special Sent by mail per year, \$2 in advance, cle presented by the administration, I denouncing the platform and ticket of its own party, but there was simply fidelity to sworn duties and obligations of honor which could not be disregard
