The Nicaragua federal officers appointed for the terri-We denounce the present Democratic Canal should be built, owned and optariff as sectional, injurious to the public credit and destructive to business the purchase of the Danish Islands we government shall be accorded as far as enterprise. We demand such equitable should secure a proper and much-need-practicable. tariff on foreign imports which come ed naval station in the West Indies.

Armenian Massacres.

The massacres in Armenia have indignation of the American people, and we believe that the United States should exercise all the influence it can properly exert to bring these atrocities to an end. In Turkey, American residents have been exposed to the gravest dangers and American property destroyed. There and everywhere American citizens and American property must be absolutely protected at all hazards and at any cost.

Monroe Doctrine.

We reassert the Monroe doctrine in their renewal and extension on such its full extent and reaffirm the right of vention in case of European encroachment. We have not interfered, and kets of our farms, forests and factories. shall not interfere, with the existing Protection and reciprocity are twin possessions of any European power in measures of Republican policy, and go this hemisphere, but those possessions hand in hand. Democratic rule has must not, on any pretext, be extended. recklessly struck down both, and both We hopefully look forward to the must be re-established. Protection for eventual withdrawal of the European what we produce, free admission for powers from this hemisphere, and the the necessaries of life which we don't ultimate union of all the Englishproduce, reciprocal agreements mu-tual interest which gain open harkets free consent of its inhabitants.

Independence of Cuba.

From the hour of achieving their own independence the people of the United States have regarded with sympathy the struggles of other American peoples to free themselves from European domination. The government of Spain, having lost dent American citizens or to comply with its treaty obligationes, we believe that the government of the United States should actively use its influence and good offices to restore peace and To all our products-to those of the give independence to the island.

Enlargement of the Navy.

The peace and security of the republic and the maintenance of its rightful influence among the nations of the earth demand a naval power commensurate with its position and responsibility. We therefore favor the contin-We favor restoring the early Ameri- ued enlargement of the navy and a ASTORIA

Immigration Laws.

For the protection of the equality of our American citizenship and of the wages of our workingmen against the fatal competition of low-priced labor. we demand that the immigration laws be thoroughly enforced, and so extended as to exclude from entrance to the United States those who can neither read nor write.

Civil Service.

The Civil Service law was placed on the statute book by the Renublican party, which has always sustained it, and we renew our repeated declarations that it shall be thoroughly and honestly enforced and extended wherever practicable.

Free Ballot.

We demand that every citizen of the United States shall be allowed to cast one free and unrestricted ballot, and that such ballot shall be counted and

Lynching Condemned.

We proclaim our unqualified condemnation of the uncivilized and barbarous practices, well known as lynching or killing of human beings, suspected or charged with crime, without process of

National Arbitration.

We favor the creation of a national oard of arbitration to settle and adjust differences which may arise between employer and employed engaged

Free Homesteads.

We believe in an immediate return to the free homestead policy of the Republican party and urge the passage by congress of the satisfactory free homestead measure which has already passed the house and is now pending in the senate.

Admission of Territories.

We favor the admission of the remaining territories at the earliest practicable date, having due regard to the

Alaska Representation.

We believe the citizens of Alaska should have representation in the congress of the United States, to the end aroused the deep sympathy and just that needful legislation may be intelligently enacted.

Sumptuary Legislation.

We sympathize with all wise and legitimate efforts to lessen and prevent the evils of intemperance and promote

Rights of Women.

The Republican party is mindful of the rights and interests of women. Protection of American industries includes equal opportunities, equal pay for equal work and protection to the home. We favor the admission of women to wider spheres of usefulness, and welcome their co-operation in rescuing the country from Democratic and Populist mismanagement and misrule. Such are the principles and policies of the Republican party. By these principles we will abide and these principles we will put into execution. We ask for them the considerate judgment of the American

Confident alike in the history of our great party and in the justice of our cause, we present our platform and our considerations, in the full assurance that the election will bring victory to the Republican party and prosperity to the people of the United States.
