This incident has not created much attention, owing to the fact that up to this time there was a lack of proof that it occurred as reported, and Republican papers were not disposed to hold Mr. Bryan accountable for such a break if there was a doubt about it. But there is no longer a doubt that Mr. Bryan is guilty.

Mr. James Campbell, a member of the Window Glass Workers' Association, was chairman of the committee which appeared before the ways and means committee of the house.
