The Astorian.

The Astorian guarantees to its sub- It is everything to Bryan to hold fast

eation to the business manager.

weekly in the state of Oregon, has, text ural capacity for mischlef. There is to the Portland Oregonian, the largest every reason to believe that his own weekly circulation in the state.

In Third street.

The "Astorian" hereby offers to denate ONE HUNDRED DOLLARS to St. Mary's duced showing that any afternoon newspaper published in Astoria has printed within the last ninety days expiring beany point outside of Oregon. Astoria, Or., October 15, 1896.

With the prospect for good weather, it is hoped the Republicans of Astoria will not be outdone in evidencing their patriotism and devotion to the cause of good government by the display of Old Clory today. With the prospect for good weather,

ject of their affections by Bryan and close next Tuesday his managers is an insult to American patriotism and manbood.

Workingmen, which candidate do you Hughes, Lordsburg, N. M. believe best entitled to your suffrage next Tuesday-the man who helped to A Pennsylvania iron company has inclose the mills and factories of the vested \$1,000,000,000 in pig fron because country four years ago, or the one who of its assurance that McKinley will be keep them open?

There is no room in Astoria for the presence of these slimy vipers.

The whines about coercion and ballotbox stuffing which are now going out borts entered upon the campaign.

If every county in Oregon can show the same proportionate gain over the Republican vote of past years which will be indicated by the majority for thoroughly. Such are the famous little McKinley in Clatsop next Tuesday, the withering blight or Populism will be effectually and permanently removed Charles Rogers. from the greatest state in the Pacific Northwest.

There isn't a self-respecting mechanic or other workingman in Clatsop county who hasn't resolved in his secret soul to resent the imputation on his intelligence implied by the lewd and transinto his voting booth next Tuesday.

born though a majority of them may be, are not so ignorant as the local are. Many of them have had the bene- line of fiction. Evidently he has not and often gives almost instant relief. One fit of an education and opportunities read Mr. Bryan's campaign speeches .for study and observation which the New York Post, average free silver shouter never heard of and knows nothing about. There need be no ger. concern in the minds of the county committee as to how the fishermen are going to vote next Tuesday. The mafority of them are very much better read on the money question than a corresponding number even among the sound money Republicans. It is a fact which may be written down with the most absolute verity that the danger of Bryan's election and the inauguration of an era of depreciated currency in this country is not due to the Bryan followers among naturalized citizens. There are entire nationalities in Oregon and throughout the country among whom not a single Bryanite can

will be one of the greatest of all facors in William McKinley's triumphant lection on the 3d of November.

THE MAJORITIES MUST BE BIG.

It is plain that if Mr. Bryan makes a poor show at the polls next Tuesday not only will free silver suffer but he as a lender will go down to everlasting ob livion. The loss of prestige both for ble. A big majority for McKinley will not only restore immediate confidence but will mean great assistance in the Bent by mail per year, Il in advance, framing and passing of measures for the settlement of vexed questions and for the relicf of the country. In the All communications intended for publi- four years between new and 1900 wise cation should be directed to the editor. legislation will have full time to justify Business communications of all kinds | tself, and free silver as an issue may and remittances must be addressed to be removed from the arena of active
