In Medieval Days When people wanted anything they knelt down and prayed for it. However, that was some time ago. Along about 1400 a fellow named Guten-berg, who had "come de Rhine ter press of today. He arranged his blocks in order, put some ink on them, also a piece of paper, and made a howing success of the racket, and his hoad became so swollen that he really snubbed the king one day. The king overlooked it, however, for he had an idea what kind of fellows printers would be. Well, finally they got the print-ing system down pat, and, as the centuries rolled by, began printing newspapers-dirst person, invariably

singular number, any gender and hard case. In This

Enlightened Day There are many newspapers as a matter of fact. But it is a utter impossibility to get a newspaper to admit it. The advertising patronage of a newspaper depends largely— vee, wholly—upon its circulation. A newspaper is a great deal like the human body: If its circulation

Want Columns columns, devoted to small advertise-ments. If a fellow wants anything a city—this city—for days looking for a house in which to live. Had he come to The Astorian office and asked for a want ad, he could have

It Is Needless To tell of The Astorian's circulation. The paper has been established for a quarter of a century. Why, old Concomly read the first rumor of the building of a railroad to his braves from it. Circulation is The Astorian's long suit. Consequently, when a follow comes into quently, when a fellow comes into The Astorian office, looks pleasant, throws down 25 cents on the counter and says he wants a house, he

Why, Just Think!

The Astorian goes into every house in Astoria and a great majority of those in the surrounding sevious of Oregon and Washington. Hence, it you insert an ad. in The Astorian, it is equivalent to engaging a man to go around to all those houses and telling the inmates that you want something or have something for sale. Why, talk about a snap!

Bit of Advice

When you want anything-no matter what it is-when you have anything for sale; when you lose, find or steal anything, come around and tell your trouble to The Astorian. Bring 25 cents with you, and, above all things, look pleasant. Tell the clerk that you want a want ad in the want column, give him your 25 cents and go away happy. As Her-man Wise would say, a want ad, will restore the blind, the baid and

the bowlegged to manhood. 3 Lines 25 Cents. Try It.
