arime mintiss life decends to repair its loss，that is on nutrition．In old age this
power grows less and less．
Hence its wealeness and sad Hence its weakness and sad－
ness Trifles are burdens．
Ordinary food no longer Ordinary food no longer
nourishes．Multitudes of
elderly persons find new
國 elderly persons find new zest and vigor through the use of Cod－liver Oil．It slips into other food，It contains fme
and soda to build up the bones and soda to build up the bones
and correct acidity．
