took at that time of this good old Democratic argument is another example of the truth of the old saying that the question of whose ox is being gored sometimes makes a great difference in forming one's opinion.

THE JEWISH WOMEN.

The National Council of Jewish Women is an organization which has just held its first annual convention in New York City. It is not a very large body, but it hopes to bring all intelligent Jewish women into its fold.

It will be noted that the objects and work are essentially modern in scope. There is no reference to the dream of the Jewish unity by a restoration of the monarchy with Jerusalem as its seat.

The gathering of the Jews scattered over the world in Palestine under their own government, is chimerical. They would have to turn themselves into an agricultural and pastoral people, which they are not.

Primary pupils of MacLisport, Me., have been earning money for the decoration of their school room by preparing the wood for the stove. The boys saved—the teacher, a young woman, helping them—and the girls carried the wood to the shed and piled it up.

BUCKLEN'S ARNICA SALVE. The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, letter, chapped hands, chilblains, corns, and all skin eruptions, and positive cure for piles, or no pay required.

Prof. Carl Gegenbauer celebrated his seventieth birthday at Heidelberg last month. He is probably the only living naturalist who has mastered the whole field of comparative anatomy, and his works on that subject have passed through many editions.

If you're in doubt whether your trouble is indigestion or dyspepsia, just take a few doses of Simmons Liver Regulator. It will settle the whole question.

An old Greek lady of Trieste was recently murdered by her seven-year-old grandson, instigated by her brother, who is thirteen. The children entered their grandmother into the attic, where the younger boy shot her down with a revolver.

"Excuse me," observed the man in spectacles, "but I am a surgeon, and that is not where the liver is." "Never you mind where his liver is," retorted the other. "If it was in his big toe or his left ear De Witt's Little Early Risers would reach it and shake it for him.

The big dinner room in the new Boston hotel, the Tuileries, at 279 Commonwealth avenue, is decorated with nine panels, illustrating the history of France, by Darius and Cyrus Cobb. The panels are four feet wide by seven feet high.

The old lady was right when she said the child might die if they waited for the doctor. She saved the little one's life with a few doses of One Minute Cough Cure. She had used it for a long time.

Absolutely pure, perfectly harmless, and invariably reliable are the qualities of One Minute Cough Cure. It never fails in colds, cough and lung troubles. Children like it because it is pleasant to take and it helps them.

An effort is being made in Great Britain to raise \$2,500 for D. L. Moody's school for boys at Mount Vernon, Mass. Among those who are soliciting subscriptions are Lord Kinnaird, Lord Overton, and Sir George Williams.

Most so-called "batman twins" are colored with acids. The acids rot the fibre and render the material useless. In the office of Elmore, Sanborn & Co. is an oil fisherman. It is the whole of the material used in the manufacture of Marshall's twine—from start to finish. Go there and examine the color right through. You will see then why Marshall's is called the best in the world.

A TWISTED. A twisted in twisting. May twist him a twist. For in twisting a twist. Three twists make a twist. But if one of the twists untwists from the twist. The twist untwisting untwists the twist. That is, when it's twisted with any other twine than MARSHALL'S.

Go to Elmore, Sanborn's office and see machine. Take along some of the twine "as good as Marshall's," in your pocket, and test them. Then see how much more Marshall's will stand. It's money in your pocket and fish in your net to find out. Their new and handsome twine testing

It has been estimated that at least 25 per cent of the entire population of the United States make their living out of the electric light and power industry and the branches of trade directly dependent upon it.
